## **INDEPENDENT ACCOUNTANT'S REPORT ON AGREED-UPON PROCEDURES FOR SMALL MUNICIPALITIES (TOWNS)**

November 24, 2015

Honorable Mayor and Board of Aldermen  
West, Mississippi

I have applied certain agreed-upon procedures, as discussed below, to the accounting records of the Town of West, Mississippi, as of September 30, 2015, and for the year then ended, as required by the Office of the State Auditor, under the provisions of Section 21-35-31, Miss. Code Ann. (1972). It is understood the report is solely for the use of the governing body of the Town of West, Mississippi, and the Office of the State Auditor and should not be used for any other purposes. My procedures and findings are as follows:

1. I reconciled cash on deposit with the following banks to balances in the respective general ledger accounts and obtained confirmation of the related balances from the banks:

<b>Bank</b>	<b>Fund</b>	<b>Balance Per General Ledger</b>
Holmes County Bank	General	\$ 3,658
Holmes County Bank	General	518
Holmes County Bank	General	1,208
Holmes County Bank	General	2,544
Holmes County Bank	General	18,947
Holmes County Bank	General	74,009
Holmes County Bank	General	62,348
Holmes County Bank	General	5,401
Holmes County Bank	Utility	534
Holmes County Bank	Utility	18,304
Holmes County Bank	Utility	16,751

2. I examined for compliance with investments authorized by Section 21-33-323. Miss Code Ann. (1972).

<b>General Security</b>	<b>Fund</b>	<b>Ledger Cost</b>
Certificate of Deposit	Enterprise	\$ 74,009
Certificate of Deposit	Bond	62,348
		18,304
	<b>Total</b>	<b>\$ 154,661</b>

3. I performed the following procedures with respect to taxes on real and personal property (including motor vehicles) levied during the fiscal year:
  - A. Verified use of certified county assessment rolls and traced levies to governing body minutes;
  - B. Traced distribution of taxes collected to proper funds; and
  - C. Analyzed increase in taxes for most recent period for completion with increase limitations of Sections 27-39-320 to 27-39-323, Miss. Code Ann. (1972).

The distribution of taxes to funds was found to be in accordance with prescribed tax levies, and uncollected taxes were determined to be properly handled.

Ad valorem tax collections were found to be within the limitations of Sections 27-39-320 to 27-39-323, Miss. Code Ann. (1972).

Ad valorem tax collections for the retirement of general obligation debt was found to be sufficient for payment of current principle and interest in accordance with limitations imposed by Sections 21-33-87 and 21-33-303, Miss. Code Ann, ( 1972 ).

4. I obtained a statement of payments made by the Department of Finance and Administration to the municipality. Payments indicated were traced to deposits in the respective bank accounts and recorded in the general ledger without exception. Payments traced were as follows:

Payment Purpose	Receiving Fund	General Ledger Amount
Fire Protection Allocation	General Fund	
General Municipal Aid	General Fund	
Gasoline Tax	General Fund	
Homestead Exemption	General Fund	
Nuclear Plant Payments	General Fund	
Sales Tax Allocation	General Fund	
Liquor	General Fund	

5. I selected a sample of purchases made by the municipality during the fiscal year. Each sample item was evaluated for proper approval and compliance with purchasing requirements set forth in Title 31, Chapter 7, Miss. Code Ann. (1972), as applicable.

**RECEIVED**

The sample consisted of the following:

**JAN 04 2016**

Number of Sample Items      82  
 Total Dollar Value of Sample    \$ 41,977.01

I found the municipality's purchasing procedures to be in agreement with the requirements of the above-mentioned sections.

6. I selected a sample of collection of fines and forfeitures and verified that the municipal court clerk had settled daily with the municipal clerk. I also selected a sample of state-imposed court assessments collected and determined that the municipal clerk had settled monthly with the Department of Finance and Administration.
7. I have read the Municipal Compliance Questionnaire completed by the municipality. The completed survey indicated no instances of noncompliance with state requirements.

Because the above procedures do not constitute an audit in accordance with generally accepted auditing standards, I do not express an opinion on any of the specific accounts or classes of transactions referred to above. In connection with the procedures referred to above, no matters came to my attention that caused me to believe the items specified in Paragraphs 1, 2 and 3 should be adjusted. Had I performed additional procedures or had I conducted an audit of the financial statement in accordance with generally accepted auditing standards, matters might have come to my attention that would have been reported to you. This report should not be associated with the financial statements of the Town of West, Mississippi, for the year ended September 30, 2015.

**Note 1 - Summary of significant accounting policies**

*Reporting Entity*

The financial statement for the town consists of all the funds of the town.

The Citizens of West have elected to operate under a Code Charter as permitted by Mississippi Statutes 21-3-3, which prescribes a Mayor and Board of Aldermen form of government.

*Fund Accounting*

The accounts of the town are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped, in the financial statement for this report, into four generic fund types and two broad fund categories as follows:

General Fund – The General Fund is the general operating fund of the Town. It is used to account for all financial resources except those required to be accounted for in another fund. Included in this fund is the General Fund and the Cemetery Fund.

Special Revenue Fund – The Special Revenue Fund accounts for the proceeds of specific revenue sources, other than major capital projects or expendable trust funds that are legally restricted to expenditures for specified purposes. The Special Revenue Fund is the Capital Projects Fund.

Fiduciary Funds – Fiduciary funds are used to account for assets held in a trustee or agency capacity for others. The Fiduciary Fund is the Unemployment Compensation Fund.

Enterprise Funds – Enterprise Funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises – where the intent of the governing body is that cost of providing goods or services to the general public on a continuing basis be financed or recovered primarily through use charges; or (b) where the governing body had decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes. The Proprietary Funds are the Water and Sewer Fund.

*Basis of Accounting*

The financial statement is prepared on a cash receipts and disbursements basis, as prescribed by the Office of the State Auditor. Consequently, certain revenues are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred.

*Use of Estimates*

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

## **REPORT ON COMPLIANCE WITH STATE LAWS AND REGULATIONS**

Honorable Mayor and Board of Alderpersons  
Town of West  
West, Mississippi

I have compiled the accompanying Statement of Cash Receipts and Disbursements – Governmental and Business- Type Activities, Schedule of Investments – All Funds, Schedule of Long-Term Debt and Schedule of Surety Bonds for Town Officials, of the Town of West, Mississippi, for the year ended September 30, 2015, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The financial statement has been prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

I have performed procedures to test compliance with certain state laws and regulations as described by the Municipal Compliance Questionnaire that is prescribed by the Office of the State Auditor. My procedures were substantially less in scope than an audit, the objective of which is the expression of an opinion on the Town's compliance with these requirements. Accordingly, I do not express such an opinion.

With respect to items tested, the results of those procedures and my compilation of the accompanying Statement of Cash Receipts and Disbursements - Governmental and Business- Type Activities, Schedule of Investments – All Funds, Schedule of Long-Term Debt and Schedule of Surety Bonds for Town Officials, of the Town of West, Mississippi, for the year ended September 30, 2015, disclosed no material instances of noncompliance with state laws and regulations.

This report is intended solely for the information and use of management and the Office of the State Auditor and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.
