State of Mississippi

OFFICE OF THE STATE AUDITOR
PHIL BRYANT
AUDITOR

July 31, 1999

Dear Citizens:

I am pleased to report to you concerning the specific exceptions taken by the Investigative Division during Fiscal Year 1999.

An audit "*exception*" indicates that a violation of the law has resulted in public funds being misappropriated or spent incorrectly. The term also means that money must be repaid.

Accordingly, this report includes the formal demands for repayment made by the State Auditor and the cases this office has referred to the Attorney General for litigation. The report also discusses the cases that were closed by settlement, collection, litigation or dismissal.

The Investigative Division was responsible for issuing 14 written demands for \$725,217.26. The Division recovered misspent or misappropriated funds totaling \$787,046.55. We anticipate recovering the remainder during the next fiscal year.

We pledge to continue to perform our jobs with integrity, honesty and a commitment to excellence. We will strive to protect the public's trust through aggressive investigations of alleged wrongdoing. We believe the taxpayers of Mississippi deserve no less.

A handwritten signature in cursive script that reads "Phil Bryant".

Sincerely,

PHIL BRYANT
State Auditor
