INDEPENDENT ACCOUNTANTS' COMPILATION REPORT

To the Honorable Mayor and Board of Alderpersons of the
Town of Kossuth, Mississippi

We have compiled the accompanying combined Statement of Cash Receipts and Disbursements – Governmental Activities of the Town of Kossuth, Mississippi, for the year ended September 30, 2015. We have not audited or reviewed the accompanying Statement of Cash Receipts and Disbursements – Governmental Activities, and accordingly, do not express an opinion or provide any assurance about whether the Statement of Cash Receipts and Disbursements – Governmental Activities are in accordance with the cash basis of accounting.

Management of the Town of Kossuth, Mississippi, is responsible for the preparation and fair presentation of the Statement of Cash Receipts and Disbursements – Governmental Activities in accordance with the cash basis of accounting and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the Statement of Cash Receipts and Disbursements – Governmental Activities.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

The Town's policy is to prepare its financial statements on the basis of cash receipts and disbursements; consequently, certain revenue is recognized when received rather than when measurable and available, and certain expenditures are recognized when paid rather than when the obligation is incurred. Accordingly, the Statement of Cash Receipts and Disbursements – Governmental Activities is not intended to present results of operations in conformity with generally accepted accounting principles.

The Town's management has elected to omit substantially all of the disclosures ordinarily included in a financial statement prepared on the cash basis of accounting. If the omitted disclosures were included, they might influence the user's conclusions about the Town's cash receipts and disbursements. Accordingly, this financial statement is not designed for those who are not informed about such matters.

Management has omitted the management's discussion and analysis information that is required to be presented for purposes of additional analysis. Such missing information, although not part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

The supplementary information contained on page 6 is presented for purposes of additional analysis and has been compiled by us from information that is the representation of management of the Town of Kossuth, Mississippi, without audit or review. Accordingly, we do not express an opinion or any other form of assurance on such supplementary information.

To the Honorable Mayor and Board of Aldermen of the
Town of Kossuth, Mississippi, and
To the Office of the State Auditor of the
State of Mississippi

We have compiled the accompanying Statement of Cash Receipts and Disbursements – Governmental funds of the Town of Kossuth, Mississippi, as of and for the year ended September 31, 2015, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants, and have issued our report dated August 19, 2016. The financial statement has been prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

We have performed procedures to test compliance with certain state laws and regulations as described by the Municipal Compliance Questionnaire that is prescribed by the Office of the State Auditor. Our procedures were substantially less in scope than an audit, the objective of which is the expression of an opinion on the Town's compliance with these requirements. Accordingly, we do not express such an opinion.

With respect to the items tested, the results of those procedures and our compilation of the accompanying Statement of Cash Receipts and Disbursements – Governmental funds for the Town of Kossuth, Mississippi, for the year ended September 30, 2015 disclosed no material instances of noncompliance with the state laws and regulations.

This report is intended for the information of the Town of Kossuth, Mississippi's management and the Office of the State Auditor and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.
