A. Reporting Entity

The Cash Receipts and Cash Disbursements of the Town consist of all the funds of the Town.

B. Fund accounting

The accounts of the Town are organized on the basis of funds, each of which is considered a separate accounting entity.

C. Basis of Accounting

The financials are prepared on a cash receipts and cash disbursements basis, as prescribed by the Office of the State Auditor. Consequently, certain revenues are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred.

(2) Report Classification

Receipts and disbursements were classified according to requirements for small towns in the State of Mississippi as prescribed by the State Department of Audit.

(3) Collateral for deposits

The collateral for public entities' deposits in financial institutions is now held in the name of the State Treasurer under a program established by the Mississippi State Legislature and is governed by Section 27-105-5 Miss. Code Ann (1972). Under this program, the entity's funds are protected through a collateral pool administered by the State Treasurer. Financial institutions holding deposits of public funds must pledge securities as collateral against those deposits. In the event of failure of a financial institution, securities pledged by that institution should be liquidated by the State Treasurer to replace the public deposits not covered by the Federal Depository Insurance Corporation.

(4) Encumbrance Accounting

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to serve that portion of the applicable appropriation, is not used by the Town of Osyka.

(5) Compensated Absences

The Town of Osyka, Mississippi does not compensate employees for unused vacation or sick leave.

TOWN OF OSYKA, MISSISSIPPI NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2016
