Dollar Value of Samples	\$ 46,533

We found the municipality's purchasing procedures to be in agreement with the requirements of the above-mentioned sections.

6. We have read the Municipal Compliance Questionnaire completed by the municipality. The following responses to the questionnaire indicate noncompliance with state requirements:

Except for the comments in the paragraph above, for those items applicable to the municipality, no instances of non-compliance were noted.

We were not engaged to, and did not perform an examination, the objective of which would be the expression of an opinion on management's compliance with laws and regulations. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

INDEPENDENT ACCOUNTANT'S COMPILATION REPORT

Honorable Mayor and  
Board of Aldermen  
Town of Webb  
Webb, Mississippi

We have compiled the accompanying statement of cash receipts and disbursements—all fund types of the Town of Webb for the year ended September 30, 2015, in accordance with Statements on Standards For Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. We have not audited or reviewed the accompanying statement of cash receipts and disbursements—all fund types and, accordingly, do not express an opinion or any other form of assurance on it.

The town's policy is to prepare its financial statement on the basis of cash receipts and disbursements; consequently, certain revenue is recognized when received rather than when measurable and available, and certain expenditures are recognized when paid rather than when the obligation is incurred. Accordingly, the statement of cash receipts and disbursements—all fund types is not intended to present results of operations, in conformity with generally accepted accounting principles.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements. If the omitted disclosures were included, they might influence the user's conclusions about the town's cash receipts and disbursements. Accordingly, the financial statement is not designed for those who are not informed about such matters.

The supplementary information contained on page 8 is presented for purposes of additional analysis and has been compiled by us from information that is the representation of management of the Town of Webb, without audit or review. Accordingly, we do not express an opinion or any other form of assurance on such supplementary information.

**TOWN OF WEBB, MISSISSIPPI**  
**NOTES TO THE FINANCIAL STATEMENT**  
**SEPTEMBER 30, 2015**

**NOTE A: Summary of Significant Accounting Policies**

**General Information**

The Town of Webb, Mississippi, operates under the mayor/board of alderman form of government and provides services as authorized by law.

**Reporting Entity**

The financial statement of the town consists of all the funds of the town.

**Fund Accounting**

The accounts of the town are organized on the basis of funds, each of which is considered a separate accounting entity.

**Basis of Accounting**

The financial statement is prepared on a cash receipts and disbursements basis as prescribed by the Office of the State Auditor. Consequently, certain revenues are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred.

**NOTE B: Report Classification**

Receipts and disbursements are classified according to requirements for small towns in the State of Mississippi as prescribed by the Office of the State Auditor.

**NOTE C: Other Matters**

The Internal Revenue Service made an assessment against the Town of Webb, Mississippi, for unpaid payroll taxes and withheld federal income taxes in the amount of \$467,592. This assessment is the result of the Town of Webb apparently collecting these taxes through withholding on employee pay checks but failing to remit them to the Department of the Treasury (Internal Revenue Service).

It appears that these failures took place from June, 2005, until September, 2009. None of the town officials who were responsible for remitting these funds are in office at this time. Since September, 2009, the Town of Webb appears to be in compliance with all payroll taxes. The town is remitting \$500 per month toward this debt, which at the date of this report (November 17, 2016) totaled in excess of \$600,000 including penalties and interest. It is highly doubtful that the Town of Webb will be able to liquidate this debt considering its present revenue structure.
