ACCOUNTANTS' COMPILATION REPORT

To the Mayor and the Board of Alderpersons
Town of Gattman
Gattman, Mississippi

Management is responsible for the accompanying statement of cash receipts and disbursements of the governmental and business-type activities of the Town of Gattman, Mississippi for the year ended September 30, 2016. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The supplementary information contained on pages 7-10 is presented for purposes of additional analysis and is not a required part of the basic financial statements. The supplementary information has been compiled from information that is the representation of management. We have not audited or reviewed the supplementary information and, accordingly, do not express an opinion or provide assurance on such supplementary information.

Town officials have not presented government-wide financial statements to display the cash basis financial position and changes in cash basis financial position of its governmental activities and business-type activities. Accounting principles generally accepted in the United States of America, as applied to the Town's cash basis of accounting, require the presentation of government-wide financial statements. The amounts that would be reported in the government-wide financial statements resulting from the cash basis transactions for the Town's governmental activities and business-type activities are not reasonably determinable.

Town officials have also elected to omit substantially all of the disclosures ordinarily included in financial statements prepared in accordance with the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Town's cash receipts and disbursements. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Town officials have also omitted Management's Discussion and Analysis and other required supplementary information that is required to be presented for purposes of additional analysis. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

In accordance with the provisions of section 21-35-31, Mississippi Code Annotated (1972), we have issued a report dated January 12, 2017, on the results of our agreed upon procedures.

REPORT ON COMPLIANCE WITH STATE LAWS AND REGULATIONS

To the Mayor and the Board of Alderpersons
Town of Gattman, Mississippi

We have compiled the accompanying statement of cash receipts and disbursements-governmental and business-type activities, schedule of investments, schedule of long term debt, and schedule of surety bonds for town officials of the Town of Gattman, Mississippi, for the year ended September 30, 2016, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The financial statement has been prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

We have performed procedures to test compliance with certain state laws and regulations as described by the Municipal Compliance Questionnaire that is prescribed by the office of the State Auditor. Our procedures were substantially less in scope than an audit, the objective of which is the expression of an opinion on the town's compliance with these requirements. Accordingly, we do not express such an opinion.

With respect to the items tested, the results of those procedures and our compilation of the accompanying statement of cash receipts and disbursements-governmental and business-type activities, schedule of investments, schedule of long term debt, and schedule of surety bonds for town officials of the Town of Gattman, Mississippi, for the year ended September 30, 2016, disclosed three instances of noncompliance with the state laws and regulations which is noted in item 7 in the Independent Accountants' Report on Applying Agreed-Upon Procedures.

This report is intended solely for the information and use of management and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.
