To the Honorable Mayor and Board of Aldermen
Town of Sumner
Sumner, Mississippi

Management is responsible for the accompanying Statement of Cash Receipts and Disbursements – Governmental and Business-Type Activities of the Town of Sumner, Mississippi for the year ended September 30, 2016, which comprises the Town's basic financial statement, in accordance with the cash basis of accounting, and for determining that the cash basis of accounting is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the Statement of Cash Receipts and Disbursements-Governmental and Business-Type Activities nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the Statement of Cash Receipts and Disbursements-Governmental and Business-Type Activities.

The statement of cash receipts and disbursements is prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Management has elected to omit substantially all of the disclosures ordinarily included in a financial statement prepared in accordance with the cash basis of accounting. If the omitted disclosures were included in the financial statement, they might influence the user's conclusions about the Town's cash receipts and disbursements. Accordingly, the financial statement is not designed for those who are not informed about such matters.

The supplementary information contained in the schedule of investments, schedule of long-term debt and the schedule of surety bonds for town officials is presented for purposes of additional analysis and is not a required part of the financial statement. The supplementary information has been compiled from information that is the representation of management. We have not audited or reviewed the supplementary information and, accordingly, do not express an opinion or provide any assurance on such supplementary information.

Management has omitted the management's discussion and analysis information and the budgetary comparison supplementary information that are required to be presented for purposes of additional analysis. Such missing information, although not a part of the basic financial statement, is required by the *Governmental Accounting Standards Board*, who considers it to be an essential part of financial reporting for placing the basic financial statement in appropriate operational, economic, or historical context.

In accordance with the provisions of Section 21-35-31, Miss. Code Ann. (1972), we have issued a report dated July 26, 2018, on the results of our agreed-upon procedures.

**INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE
WITH STATE LAWS AND REGULATIONS**

Honorable Mayor and
Board of Aldermen
Town of Sumner, Mississippi
Sumner, Mississippi

JUL 18 2018

We have compiled the accompanying statement of cash receipts and disbursements – Governmental and Business-Type Activities, schedule of investments, schedule of long-term debt and the schedule of surety bonds for town officials of the Town of Sumner, Mississippi for the year ended September 30, 2016 in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. The financial statement has been prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

We have performed procedures to test compliance with certain state laws and regulations as described by the Municipal Compliance Questionnaire that is prescribed by the Office of the State Auditor. Our procedures were substantially less in scope than an audit, the objective of which is the expression of an opinion on the Town's compliance with these requirements. Accordingly, we do not express such an opinion.

With respect to items tested, the results of those procedures and our compilation of the accompanying statement of cash receipts and disbursements – governmental and business-type activities, schedule of investments, schedule of long-term debt and the schedule of surety bonds for town officials for the Town of Sumner, Mississippi, for the year ended September 30, 2016 disclosed no material instances of noncompliance with state laws and regulations.

This report is intended solely for the information of management and the Office of the State Auditor and is not intended to be and should not be used by anyone other than those specified parties. However, this report is a matter of public record and its distribution is not limited.
