CARY E. WILLIAMS CERTIFIED PUBLIC ACCOUNTANT

INDEPENDENT ACCOUNTANT'S REPORT

December 29, 2017

Honorable Mayor and Alderpersons Town of McLain Post Office Box 5 McLain, Mississippi 39456

I have applied certain agreed upon procedures, as discussed below, to the accounting records of the Town of McLain, Mississippi as of September 30, 2017, and for the year then ended, as required by the Office of the State Auditor, under the provisions of Section 21-35-31, Mississippi Code, 1972, annotated. It is understood that the report is solely for the use of the governing body of the Town of McLain, Mississippi, and the Office of the State Auditor and should not be used for any other purpose. My procedures and findings are as follows:

A. I reconciled cash on deposit in checking accounts with the following banks to balances in the respective general ledger accounts and obtained confirmation of the related balances from the banks:

Trustmark National Bank	Water & Sewer Annual	2,391
Trustmark National Bank	Fire Department	139
Total	A ALVENCE	\$51,454
	MAR 0 5 2019	

B. I confirmed directly with respective banks all investments, including certificates of deposits, owned by the Town of McLain. All investment transactions during the year were examined for compliance with investments authorized by Section 21-33-323, Mississippi Code, 1972.

Investment	Fund	Amount

- C. I performed the following procedures with respect to taxes on real and personal property (including motor vehicles) levied during the fiscal year:
 - 1. Verified use of certified county assessment rolls and traced levies to governing body minutes.
 - 2. Examined uncollected taxes for proper handling, including tax sales.
 - 3. Traced distribution of taxes collected to proper funds.
 - 4. Analyzed increase in taxes for most recent period for completion with increase limitations of Section 27-39-320 to 27-39-329 of the Mississippi Code of 1972.

The distribution of taxes to funds was found to be in accordance with prescribed law levies, and uncollected taxes were determined to be properly handled.

Ad valoerm tax collections were found to be within the limitations of sections 27-29-320 through 27-39-323, Mississippi Code Ann. (1972).

 D. I obtained a statement of payments made by the State Department of Finance and Administration to the town. The payments were traced to deposits in the respective bank accounts and recorded in the general ledger. Cash receipts traced were as follows:
Payment Purpose Receiving Fund General Ledger Amount

Sales Tax Allocation	General	\$53,186

collected and determined that the municipal clerk had settled monthly with the Department of Finance and Administration.

I found the Town's purchasing procedures to be in compliance with the requirements of the above sections.

G. The town did complete the Municipal Compliance Questionnaire as required. I reviewed the questionnaire and determined it to be correct and consistent and indicated no instances of non-compliance with state requirements.

H. Long term debt for the town at 9-30-17 is shown below:					
Long Term Debt	Balance 10-01-16	<u>Redeemed</u>	Balance 09-30-17

Because the above procedures do not constitute an audit conducted in accordance with generally accepted auditing standards, I do not express an opinion on any of the accounts or items referred to above. In connection with the procedures referred to above, no matters came to my attention that caused me to believe that the specified accounts or items should be adjusted. TOWN OF MCLAIN, MISSISSIPPI NOTES TO THE FINANCIAL STATEMENTS For The Year Ended September 30, 2017

Note A: Summary of Significant Accounting Policies

General Information

The City operates under the Board of alderman form of government and provides services as authorized by law.

Reporting Entity

The financial statement of the City consists of all the funds of the City.

Fund Accounting

The accounts of the Town are organized on the basis of funds, each of which is considered a separate accounting entity. Funds are classified into categories as follows:

Government Funds

The *General Fund* is the main operating fund of the Town. It is used to account for all the financial resources except those required to be accounted for in another fund. All general tax revenues and other receipts that are not restricted by law or contractual agreement to some other fund are accounted for in this fund. General operating expenditures, fixed charges and capital improvement costs that are not paid through other funds are paid from this fund.

Special Revenue Funds are used to account for the proceeds of specific revenue resources that are legally restricted to expenditure for specified purposes.

Proprietary Funds

The *Enterprise Fund* is used to account for those operations that are financed and operated in a manner similar to private business enterprises or where the Town had decided that periodic determination of revenues earned, expenses incurred and/or net income is necessary for management accountability.

Basis of Accounting

The financial statement is prepared on a cash receipts and disbursements basis, which is a comprehensive basis of accounting other than generally accepted accounting principles. This basis is prescribed by the Office of the State Auditor. Consequently, certain revenues are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred.
