Gentlemen:

Enclosed is the Application for Exemption From Audit – For Municipalities with Revenues or Expenditures of \$100,000 or Less for the year ended September 30, 2017.

Expenditures for the year ended September 30, 2017 were in excess of \$100,000; however, there were extenuating circumstances that caused that excess to occur in fiscal year 2017.

The Town of Thaxton was awarded a matching grant of \$25,000 from the Mississippi Department of Wildlife, Fisheries and Parks for playground equipment during the year ended September 30, 2016. The Town borrowed \$50,000 for the project and disbursed the funds in fiscal year 2016, which resulted in revenues and expenditures in excess of \$100,00 for the year ended September 30, 2016, requiring additional accounting services for minimum reporting requirements. However, the project was not inspected, approved and reimbursement made until fiscal year 2017 in the amount of \$24,909, which was subsequently used to repay the loan funds borrowed for that project. It was this loan repayment that caused the expenditures to exceed the \$100,000 limit.

Please consider these extenuating circumstances and accept this application for exemption from audit.

For the Town of Thaxton, Mayor and Board of Aldermen.
