Honorable Mayor and Board of Aldermen
Town of Hatley
Hatley, Mississippi

Management is responsible for the accompanying statement of cash receipts and disbursements of the governmental activities and business-type activities of the Town of Hatley, Mississippi, as of and for the year ended September 30, 2018, in accordance with the cash receipts and disbursements basis of accounting. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the statement of cash receipts and disbursements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the statement of cash receipts and disbursements.

We draw attention to Note A of the financial statement, which describes the basis of accounting. The statement of cash receipts and disbursements is prepared in accordance with the cash receipts and disbursements basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The supplementary information contained on pages 5 through 7 is presented for purposes of additional analysis and is not a required part of the basic financial statement. The supplementary information has been compiled from information that is the representation of management. We have not audited or reviewed the supplementary information and, accordingly, do not express an opinion or provide any assurance on such supplementary information.

Management has elected to omit substantially all of the disclosures ordinarily included in a financial statement prepared in accordance with the cash receipts and disbursements basis of accounting. If the omitted disclosures were included in the financial statement, they might influence the user's conclusions about the Town's cash receipts and disbursements. Accordingly, the financial statement is not designed for those who are not informed about such matters.

Management has also omitted the management's discussion and analysis and other required supplementary information that is required to be presented for purposes of additional analysis. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statement in an appropriate operations, economic, or historical context.

In accordance with provisions of section 21-35-31, Mississippi Code Annotated (1972), we have issued a report dated July 2, 2019, on the results of our agreed upon procedures.

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH STATE LAWS AND REGULATIONS

Honorable Mayor and Board of Alderman
Town of Hatley, Mississippi

We have compiled the accompanying statement of cash receipts and disbursements – all fund types of the Town of Hatley, Mississippi, for the year ended September 30, 2018, and have issued our report thereon dated July 2, 2019. We conducted our compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

As required by the State legal compliance audit program prescribed by the Office of the State Auditor, we have also performed procedures to test compliance with certain state laws and regulations. However, providing an opinion on compliance with state laws and regulations was not an objective of our engagement and, accordingly, we do not express such an opinion.

The results of those procedures and our compilation of the cash receipts and disbursements disclosed the following material instances of noncompliance with state laws and regulations.

1. The Town is not in compliance with Part V item 15 of the Municipal Audit and Accounting Guide, as the Town's fixed asset ledger does not contain all information required by guidelines established by the Office of the State Auditor.

The Office of the State Auditor or a public accounting firm will review, on a subsequent year's engagement, the findings in this report to ensure that corrective action has been taken.

This report is intended for the information of the Town's management and the Office of the State Auditor and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.

INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Honorable Mayor and Board of Aldermen
Town of Hatley, Mississippi

We have performed the procedures enumerated below, which were agreed to by the Office of the State Auditor, to the accounting records of the Town of Hatley, Mississippi as of September 30, 2018, and for the year ended, as required by the Office of the State Auditor, under the provisions of Section 21-35-31, Miss. Code Ann. (1972). The Town of Hatley's management is responsible for the Town's accounting records. The sufficiency of these procedures is solely the responsibility of those parties specified in the report. Consequentially, we make no representations regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Our procedures and findings are as follows:

1. We reconciled cash on deposit with the following banks to balances in the respective general ledger accounts and obtained confirmation of the related balances from the banks:

<u>Bank</u>	<u>Fund</u>	<u>Balance Per General Ledger</u>
Renasant Bank	General Fund	\$ 241,196
Cadence Bank	General Fund	<u>122,492</u>
Total General Fund		<u>\$ 363,688</u>
Community Bank	Special Revenue	\$ 10,096
Renasant Bank	Special Revenue	<u>53,286</u>
Total Special Revenue Fund		<u>\$ 63,382</u>
Renasant Bank	Proprietary Fund	\$ 312,070
Cadence Bank	Proprietary Fund	129,385
Community Bank	Proprietary Fund	<u>158,040</u>
Total Proprietary Fund		<u>\$ 599,495</u>

2. We performed the following procedures with respect to taxes on real and personal property levied during the fiscal year:
 - a. Trace levies to governing body minutes;
 - b. Traced distribution of taxes collected to proper funds; and
 - c. Analyzed increase in taxes for most recent period for completion with increase limitations of Sections 27-39-320 to 27-39-323, Miss. Code Ann. (1972).

The distribution of taxes to funds was found to be in accordance with prescribed tax levies.

Ad valorem tax collections were found to be within the limitations of Sections 27-39-320 to 27-39-323, Miss. Code Ann. (1972).

3. We obtained a statement of payments made by the Mississippi Department of Finance and Administration to the municipality. Payments indicated were traced to deposit in the respective bank accounts and recorded in the general ledger with no exceptions. Payments traced were as follows:

<u>Purpose</u>	<u>Receiving Fund</u>	<u>Amount</u>
Sales Tax Allocation	General Fund	\$ 17,923
Fire Protection	Special Revenue	2,751
Gasoline Tax	General Fund	1,416
TVA In Lieu	General Fund	3,509
Municipal Aid	General Fund	240
Homestead Exemption Reim.	General Fund	3,436

4. We selected a sample of purchases made by the municipality during the fiscal year. Each sample item was evaluated for proper approval and compliance with purchasing requirements set forth in Title 31, Chapter 7, Miss. Code, 1972, if applicable.

The sample consisted of the following:

Number of Sample Items	25
Dollar Value of Sample	\$ 3,862

5. We selected a sample of collection of fines and forfeitures and verified that the municipal court clerk had settled daily with the municipal clerk. We also selected a sample of state imposed court assessments collected and determined that the municipal clerk had settled monthly with the Department of Finance Administration.

6. We have read the Municipal Compliance Questionnaire completed by the Town. The following responses to the questionnaire indicate noncompliance with state requirements:

- a. The Town did perform an annual inventory of fixed assets and most assets that are required to be tagged are tagged. However, the Town does not have a complete Fixed Asset Inventory Ledger. Items missing from the ledger are dates assets were purchased and cost of the assets. (Section II – Municipal Audit and Accounting Guide)

This agreed upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the accounting records of the Town. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the governing body of the Town of Hatley, Mississippi, and the Office of the State Auditor and is not intended to be and should not be used by anyone other than those specified parties. This report should not be associated with the financial statements of the Town of Hatley, Mississippi, for the year ended September 30, 2018.
