FINANCIAL AUDIT REPORT

FORTENBERRY & BALLARD, PC CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITOR'S REPORT

Mayor and Board of Aldermen Town of Walls, Mississippi

Report on the Financial Statements

We have audited the accompanying statement of cash receipts and disbursements of the governmental activities and business-type activities of the Town of Walls, Mississippi, (the Town) as of and for the year ended September 30, 2018, and the related notes to the financial statement, which collectively comprise the basic financial statement as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the cash basis of accounting described in Note 1. This includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the united States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

1929 SPILLWAY ROAD, SUITE B BRANDON, MISSISSIPPI 39047 TELEPHONE 601-992-5292 FAX 601-992-2033 RECEIVED

12 2019

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statement referred to above present fairly, in all material respects, the respective cash basis financial position of the governmental activities and the business-type activities of the Town of Walls, Mississippi, as of September 30, 2018, and the respective changes in cash basis financial position thereof for the year then ended, in accordance with the basis of accounting described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statement, which describes that Town of Walls, Mississippi prepares it's financial statements on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Other Matters

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statement that collectively comprise the Town's basic financial statement. The Schedule of Capital Assets, Schedule of Changes in Long-term Debt, and the Schedule of Surety Bonds for Town Officials, which are the responsibility of management, are presented for purposes of additional analysis and are not a required part of the basic financial statement. Such information has not been subjected to the auditing procedures applied in the audit of the basic financial statement, and accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated July 10, 2019 on our consideration of Town of Walls, Mississippi's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Town of Walls, Mississippi internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Town of Walls, Mississippi's internal control over financial reporting and compliance.

Notes to the Financial Statement For the Year Ended September 30, 2018

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

INTRODUCTION

The Town of Walls, Mississippi (the Town operates under a Mayor-Board of Aldermen form of government and provides services as authorized by law such as public safety (police and fire protection), sanitation, public improvements, and general administrative services. The Town's population as of the 2010 census was 1,162. The accounting policies of the Town of Walls, Mississippi conform to the laws of Mississippi for a municipality with a population of less than 3,000. The following is a summary of the more significant accounting policies.

A. FINANCIAL REPORTING ENTITY

These financial statement present all the funds of the Town. There are no outside organizations that should be included as component units of the Town's reporting entity.

B. BASIS OF PRESENTATION

Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

Financial Statements

The Town segregated transactions related to certain functions or activities in separate funds in order to aid financial management and to demonstrate legal compliance. Separate columns are presented for governmental and proprietary activities.

Governmental activities are those funds through which most governmental functions typically are financed. The measurement focus of governmental funds is on the sources, uses and balance of current financial resources. The Town has presented the following funds:

General Fund - is the general operating fund of the Town. General tax revenues and other receipts that are not allocated by law or contractual agreement to some other fund are accounted for in this fund. General operating expenses, fixed charges, and capital improvement costs not paid through other funds are paid from this fund.

Enterprise Funds - is used to account for the provision of sewer services to the residents of the Town. Activities of the fund include administration, operations and maintenance of the sewer system. All costs are financed through charges to utility customers with rates reviewed regularly and adjusted if necessary to ensure integrity of the fund. This fund is also used to account for financial resources to be used for the acquisition or construction of major capital facilities. Such resources are derived principally from proceeds of general obligation bond issues and federal grants.

RECEIVED

Notes to the Financial Statement For the Year Ended September 30, 2018

C. MEASUREMENT FOCUS / BASIS OF ACCOUNTING

Measurement focus refers to what is being measure; basis of accounting refers to the point at which revenues or expenditures/expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made regardless of the measurement focus applied. The financial statement is prepared on the cash basis, as prescribed by the Mississippi Office of the State Auditor. Consequently, certain receipts are recognized when received rather than earned, and certain disbursements are recognized when paid rather than when the obligation is incurred. This is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (OCBOA). The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles.

D. BUDGETS AND BUDGETARY INFORMATION

The Town follows these procedures in establishing its budgetary data:

The Town Charter establishes the fiscal year as the twelve-month period beginning October 1. The departments submit to the City Clerk a budget of estimated expenditures for the ensuing fiscal year after which the City Clerk submits a budget of estimated expenditures and revenues to the Mayor and Board of Aldermen by August 1.

Upon receipt of the budget estimates, the Board of Aldermen holds a public hearing on the proposed budget. Information about the budget ordinance is then published in the official newspaper of the Town.

At the September board meeting, the budget is legally enacted through passage of ordinance. The City Clerk is authorized to transfer budgeted amounts between departments within any fund; however, any revisions that alter the total expenditures of any fund must be approved by the Board of Aldermen.

The actual receipts and disbursements are accumulated each month and compared to the budgeted amounts and reviewed by the Mayor and Board of Aldermen. Any revisions on the budget during the year are approved by the Board of Aldermen.

2. RISK MANAGEMENT

The Town is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Town carries commercial insurance for these risks. Settled claims resulting from these insured risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

RECEIVED

/113 12 2019

OFFICE OF THE STATE AUDITOR

Notes to the Financial Statement For the Year Ended September 30, 2018

3. PRIOR PERIOD ADJUSTMENT

The prior period adjustment was the cost of radio equipment paid for out of the Utility Fund originally. The previous two audit periods, the transaction was classified as a General Fund transaction. The City provided documentation to approve payment from the Utility Fund, hence moving the cash back into the General Fund from the Utility Fund.

The prior period adjustment accounts for a transfer of funds made by the Town in fiscal year 2016 previously not recognized by the external auditor. No statutory authority was provided for this adjustment at the time it was made. In 2016, the Town made two transfers totaling \$70,000 from the Utility Fund to the General Fund which did not have Board approval. On August 13, 2019, the Board of Aldermen approved the transfer nunc pro tunc retroactive to the original date of transfer citing Section 21-27-61, Miss. Code Ann., (1972) regarding surplus utility fund transfers.

4. FUND RECLASSIFICATION

The fund reclassification was the transfer of escrow bank account cash from the Utility Fund to the General Fund. The bank account was dormant for over ten years.

5. SUBSEQUENT EVENT

Events that occur after the date but before the financial statement is available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed are recognized in the accompanying financial statement. Subsequent events which provide evidence about conditions that existed after the financial statement date require disclosure in the accompanying notes. Management of the Town of Walls, Mississippi evaluated the activity of the Town through the date the financial statement was available to be issued, and determined that the following subsequent event has occurred requiring disclosure in the notes to the financial statement:

On October 16, 2018, the Town of Walls approved the purchase of two vehicles.

OFFICE OF THE STATE AUDITOR

FORTENBERRY BALLARD, PC CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Mayor and Board of Aldermen Town of Walls, Mississippi

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the statement of cash receipts and disbursements of the governmental activities and business-type activities of the Town of Walls, Mississippi, (the Town), as of and for the year ended September 30, 2018, and the related notes to the financial statement and have issued our report thereon dated July 10, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statement, we considered the Town of Walls, Mississippi's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the Town of Walls, Mississippi's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Town of Walls, Mississippi's financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. However, this report is a matter of public record and its distribution is not limited.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH STATE LAWS AND REGULATIONS

Mayor and Board of Aldermen Town of Walls, Mississippi

We have audited the statement of cash receipts and disbursements of the Town of Walls, Mississippi (the Town) as of and for the year ended September 30, 2018 and have issued our report dated July 10, 2019. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*.

As required by the state legal compliance audit program prescribed by the Office of the State Auditor, we have also performed procedures to test compliance with certain state laws and regulations. However, providing an opinion on compliance with state laws and regulations was not an objective of our audit and, accordingly, we do not express such an opinion. The results of those procedures and our audit of the financial statement disclosed no material instances of noncompliance with state laws or regulations.

This report is intended solely for the information and use of the Town's management and the Office of the State Auditor and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.
