To the Mayor and the Board of Aldermen
Town of Bolton, Mississippi

We have performed the procedures enumerated below, which were agreed to by the Office of the State Auditor, to the accounting records of the Town of Bolton, Mississippi, solely to assist the Office of the State Auditor to evaluate the Town of Bolton, Mississippi's compliance with certain laws and regulations as of September 30, 2019, and for the year then ended. The municipal clerk did not settle court assessments monthly with the Department of Finance and Administration.

We found the Town not to be in compliance with the requirements of the abovementioned sections.

REPORT ON COMPLIANCE WITH STATE LAWS AND REGULATIONS

To the Mayor and the Board of Aldermen
Town of Bolton, Mississippi

We have compiled the accompanying Statement of Cash Receipts and Disbursements - Governmental and Business-type Activities, Schedule of Long-term Debt and Schedule of Surety Bonds for Town Officials of the Town of Bolton, Mississippi, for the year ended September 30, 2019, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The financial statement has been prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles in the United States of America.

We have performed procedures to test compliance with certain state laws and regulations as described in the Municipal Compliance Questionnaire that is prescribed by the Office of the State Auditor. Our procedures were substantially less in scope than an audit, the objective of which is the expression of an opinion on the Town's compliance with these requirements. Accordingly, we do not express such an opinion.

With respect to the items tested, the results of those procedures and our compilation of the accompanying Statement of Cash Receipts and Disbursements - Governmental and Business-type Activities, Schedule of Long-term Debt and Schedule of Surety Bonds for Town Officials of the Town of Bolton, Mississippi, for the year ended September 30, 2019, disclosed the following instances of noncompliance with state laws and regulations. Our findings and recommendations and your responses are as follows:

Finding 1

Annual Compilation Report and Agreed-upon Procedures

Section 21-35-3, Miss. Code Ann. (1972), states, "The governing authority of every municipality in the state shall have the municipal books audited annually, before the close of the next succeeding fiscal year, in accordance with procedures and reporting requirements prescribed by the State Auditor." In lieu of a full scope audit, the State Auditor gives small municipalities the option of having a compilation report and agreed-upon procedures. The Town did not comply with this requirement.

Recommendation

We recommend the Town of Bolton complete the annual compilation report and agreed-upon procedures in a timely manner.

Town's Response

We are aware of this issue and have taken steps to have the annual compilation report and agreed-upon procedures completed.

Finding 2

Public hearing and publication of budget

Sections 21-35-5, 27-39-203, and 27-39-205, Miss. Code Ann. (1972), require the municipality to hold a public hearing on its budget and to publish its adopted budget. We could find no evidence that the Town complied with these requirements.

Recommendation

We recommend the Town of Bolton hold public budget hearings and publish the budget.

Town's Response

We are aware of this issue and have taken steps to correct.

Finding 3

Municipal depositories

Sections 21-105-353 and 27-105-363, Miss. Code Ann. (1972), require the municipality to advertise for municipal depositories every two years. We could find no evidence that the Town complied with these requirements.

Recommendation

We recommend the Town of Bolton advertise for municipal depositories.

Town's Response

We are aware of this issue and have taken steps to correct.

Finding 4

Annual inventory of fixed assets

The Municipal Audit and Accounting Guide established by the Office of the State Auditor requires the municipality to conduct an annual inventory of its assets and to properly tag them. We could find no evidence that the Town complied with these requirements.

Recommendation

We recommend the Town of Bolton complete an annual asset inventory and tag its assets.

Town's Response

We are aware of this issue and have taken steps to correct.

Finding 5

Solid Waste

Section 17-17-347, Miss. Code Ann. (1972), requires municipalities to determine and publish the full and complete cost of solid waste.

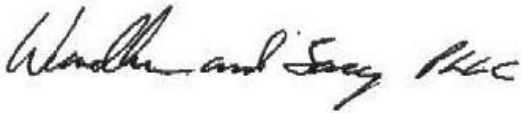

Recommendation

We recommend the Town of Bolton determine and publish the full and complete cost of solid waste.

Town's Response

We are aware of this issue and have taken steps to correct.
