**INDEPENDENT ACCOUNTANTS' COMPILATION REPORT**

Honorable Mayor and Board of Alderman  
Town of Golden, Mississippi  
Golden, Mississippi

Management is responsible for the accompanying financial statement of the governmental activities and the business-type activities of Town of Golden, Mississippi, as of and for the year ended September 30, 2019, which comprise the Statement of Cash Receipts and Disbursements and for determining that the cash receipts and disbursements basis of accounting is an acceptable reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any assurance on this financial statement.

The financial statement is prepared in accordance with the cash receipts and disbursements basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Management has not presented government-wide financial statements to display the financial position and changes in financial position of its governmental activities and business-type activities. Accounting principles generally accepted in the United States of America, as applied to the Town's cash receipts and disbursements basis of accounting, require the presentation of government-wide financial statements. The amounts that would be reported in government-wide financial statements for the Town's governmental activities and business-type activities are not reasonably determinable.

Management has elected to omit substantially all of the disclosures ordinarily included in a financial statement prepared in accordance with the cash receipts and disbursements basis of accounting. If the omitted disclosures were included in the financial statement, they might influence the user's conclusions about the Town's cash receipts and disbursements. Accordingly, the financial statement is not designed for those who are not informed about such matters.

Management has omitted the management's discussion and analysis information and other required supplemental information that is required to be presented for purposes of additional analysis. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

The supplementary information contained in Schedules 1, 2, and 3 is presented for purposes of additional analysis and is not a required part of the basic financial statement. Such information is the responsibility of management. The supplementary information was subject to our compilation engagement. We have not audited or reviewed the supplementary information and do not express an opinion, a conclusion, nor provide any assurance on such information.

In accordance with the provisions of Section 21-35-31, Miss. Code Ann. (1972), we have issued a report dated August 24, 2020, on the results of our agreed-upon procedures.

Yours truly,

To the Honorable Mayor and Board of Alderman  
and Office of the State Auditor, State of Mississippi

We have performed the procedures enumerated below, which were agreed to by the Town of Golden, Mississippi and the Office of the State Auditor (the specified parties), which are required under the provisions of Section 21-35-31, Miss. Code Ann. (1972), on the accounting records of Town of Golden, Mississippi's compliance with certain laws and regulations as of September 30, 2019 and for the year then ended. Town of Golden's management is responsible for its compliance with those specified requirements. The sufficiency of these procedures is solely the responsibility of the specified parties. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose.

The procedures and associated findings are as follows:

2. We verified that there were no investment transactions; therefore, the Town was in compliance with Section 21-33-323 Miss. Code Ann. (1972).
3. We performed the following procedures with respect to taxes on real and personal property (including motor vehicles) levied during the fiscal year.
  - a. Traced levies to governing body minutes. No exceptions were noted.

**INDEPENDENT ACCOUNTANTS' REPORT ON  
COMPLIANCE WITH STATE LAWS AND REGULATIONS**

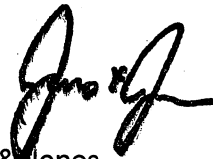

To the Honorable Mayor and Board of Alderman  
and Office of the State Auditor, State of Mississippi

We have compiled the accompanying Statement of Cash Receipts and Disbursements – Governmental and Business-Type Funds of the Town of Golden, Mississippi for the year ended September 30, 2019 in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants and have issued our report dated August 24, 2020. The financial statement has been prepared on the cash receipts and disbursements basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

As required by the state legal compliance audit program prescribed by the Office of the State Auditor, we have also performed procedures to test compliance with certain state laws and regulations. However, providing an opinion on compliance with state laws and regulations was not an objective of our procedures and, accordingly, we do not express such an opinion.

With respect to items tested, the results of those procedures and our compilation of the accompanying Statement of Cash Receipts and Disbursements – Governmental and Business-Type Funds of the Town of Golden, Mississippi for the year ended September 30, 2019 disclosed no material instances of noncompliance with state laws and regulations. The prior year findings have been corrected.

This report is intended for the information of the Town's management and the Office of the State Auditor and is not intended to be, and should not be, used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.
