SPECIAL REPORT ON AGREED UPON PROCEDURES FOR SMALL MUNICIPALITIES (TOWNS)

(Compliance Letter)

Honorable Mayor and Board of Aldermen Town of Gunnison Gunnison, Mississippi 38746

We have applied certain agreed-upon procedures, as discussed below, to the accounting records of the Town of Gunnison, Mississippi, as of September 30, 2019, and for the year then ended, as required by the Office of the State Auditor, under the provisions of Section 21-35-31, Miss. Code Ann. (1972). It is understood the report is solely for the use of the governing body of the Town of Gunnison, Mississippi and the Office of the State Auditor and should not be used for any other purposes. Our procedures and findings are as follows:

1. We reconciled cash on deposit with the following bank to balances in the respective general ledger accounts and obtained confirmation of the related balances from the bank:

<u>Bank</u>	<u>Funds</u>	Balance per General Ledger
State Bank and Trust	General, Water/ Sewer	•
	& Sanitation	\$ 15,618.97
State Bank & Trust	2011 CDBG Account	101.25
State Bank & Trust	Homecoming Festival	1,510.76

- 2. The town did not report securities held for investments.
- 3. We performed the following procedures with respect to taxes and personal property (including motor vehicles) levied during the fiscal year.
 - a. Trace levies to governing body minutes;
 - b. Traced distribution of taxes collected to proper funds; and
 - c. Analyzed increase in taxes for most recent period for completion with increase limitations of Sections 27-39-320 to 27-39-323, Miss. Code Ann. (1972).

The distribution of taxes was found to be in accordance with prescribed tax levies.

Ad valorem tax collections were found to be within the limitations of Sections 27-39-320 to 27-39-323, Miss. Code Ann. (1972).

- 4. The Town did not retire or issue general obligation debt or revenue bonds.
- 5. We obtained a statement of payments made by the Department of Finance and Administration to the municipality. Payments indicated were traced to deposit in the respective bank accounts. Payments were recorded in the general ledger. Payments traced were as follows:

Payment Purpose	Receiving Fund	Ledger Amount
Sales Tax Allocation	General Fund	\$ 8,539
General Municipal Aid	General Fund	225
Gasoline Tax	General Fund	1,300
Homestead Exemption	General Fund	6,474
Nuclear Plant Payments	General Fund	3,498
Fire Protection Allocation	General Fund	2,668
	TOTAL	\$22,704

We selected a sample of purchases made by the municipality during the fiscal year. Each sampled item was evaluated for proper approval and compliance with purchasing requirements set forth in Title 31, Chapter 7, Mississippi Code Ann. (1972), as applicable.

The sample consisted of the following:

Number of Sample Items	14
Total Dollar Value of Sample	\$12,307,28

We found the municipality's purchasing procedures to be in agreement with the requirements of the above mentioned sections.

- 6. Fines and Forfeitures were not collected when due and settled immediately to municipal treasury, and state-imposed assessments were not collected and settled monthly with the Department of Finance and Administration.
- 7. We have read the Municipal Compliance Questionnaire completed by the municipality. The following responses to the questionnaire indicate noncompliance with state requirements:
 - a. Financial records were not maintained in accordance with the chart of accounts prescribed by the State Auditor. (Section 21-35-11).
 - b. The municipal clerk did not submit to the board a monthly report of expenditures against each budget item for the preceding month and fiscal year to date and the unexpended balances of each budget item. (Section 21-35-13).
 - **c.** The municipality did not levy or appropriate not less than ¼ tax mill for fire protection.

Because the above procedures do not constitute an audit in accordance with generally accepted auditing standards, we do not express an opinion on any of the specific accounts or classes of transactions referred to above. In connection with the procedures referred to above, no matters came to our attention that caused us to believe that items specified in Paragraphs 1, 2 and 3 should be adjusted. Had we performed additional procedures or had we conducted an audit of the financial statements in accordance with generally accepted auditing standards, matters might have come to our attention that would have been reported to you. REPORT ON COMPLIANCE WITH STATE LAWS AND REGULATIONS

To the Mayor and the Board of Aldermen Town of Gunnison, Mississippi

We have compiled the accompanying Unaudited Statement of Cash Receipts and Disbursements – Governmental and Business-Type Activities, Schedule of Long-Term Debt and Schedule of Surety Bonds for Municipal Officials of the Town of Gunnison, Mississippi, for the year ended September 30, 2019, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The financial statement has been prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

We have performed procedures to test compliance with certain state laws and regulations as described by the Municipal Compliance Questionnaire that is prescribed by the office of the State Auditor. Our procedures were substantially less in scope than an audit, the objective of which is the expression of an opinion on the Town's compliance with these requirements. According, we do not express such an opinion.

The results of those procedures of the general-purpose financial statements disclosed the following material instances of noncompliance with state laws and regulations. Our findings and recommendations and your responses are as follows:

Financial records were not maintained in accordance with the chart of accounts prescribed by the

State Auditor. (Section 21-35-11).

The municipal clerk did not submit to the board a monthly report of expenditures against each budget item for the preceding month and fiscal year to date and the unexpended balances of

each budget item. (Section 21-35-13)

The municipality did not levy or appropriate not less than ¼ tax mill for fire protection.

Recommendations: The Mayor and Town Clerk to work out a plan for corrected actions to comply with all

Sections indicated above.

Responses: The Town Clerk will start training to maintain financial records, to submit a monthly

report, and I/4 tax mill for Fire Protection will be levied.

This report is intended solely for the information and use of management and the Office of the State Auditor and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.
