OFFICE OF THE STATE AUDITOR REPORT NOTE:

As a result, the following document was not prepared by the Office of the State Auditor. Instead, it was prepared by a private CPA firm and submitted to the Office of the State Auditor. The Office of the State Auditor assumes no responsibility for its content or for any errors located in the document. Any questions of accuracy or authenticity concerning this document should be submitted to the CPA firm that prepared the document. The name and address of the CPA firm appears in the document.

The sufficiency of these procedures is solely the responsibility of the Office of the State Auditor, State of Mississippi. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

My procedures and findings are as follows:

- 3. I performed the following procedures with respect to taxes on real and personal property (including motor vehicles) levied during the fiscal year:
 - a. Verify use of certified county assessment rolls and trace levies to governing body minutes;
 - b. Examined uncollected taxes for proper handling, including tax sales;
 - c. Traced distribution of taxes collected to proper funds; and
 - d. Analyzed increase in taxes for most recent period for completion with increase limitations of Sections 27-39-320 to 27-39-323, Miss. Code Ann. (1972).

The distribution of taxes to funds was found to be in accordance with prescribed tax levies, and uncollected taxes were determined to be properly handled.

Ad valorem tax collections were found to be within the limitation of Section 27-39-320 to 27-39-323, Miss Code Ann. (1972).

The entire 63.65 mill tax assessment as passed was assigned to and deposited in the General Fund, and General Obligation Debt payments are paid from the General Fund.

4. I obtained a statement of payments made by the Department of Finance and Administration to the municipality. Payments indicated were traced to deposit in the respective bank accounts and recorded in the general ledger without exception. Payments traced were as follows:

Payment Purpose	Receiving Fund	Amount
Sales Tax Allocation Municipal Aid Gasoline Tax Homestead Exemption In Lieu Taxes – Grand Gulf Department of Health & Public Safety	General Fund General Fund General Fund General Fund General Fund General Fund	\$ 79,286 1,200 -0- 8,364 -0- _0-
Total		\$ 88,850

5. I selected a sample of purchases made by the town during the fiscal year. Each sample item was evaluated for compliance with purchasing requirements set forth in Title 31, Chapter 7, Miss. Code Ann. (1972), as applicable.

The sample consisted of the following:

Number of Sampled Items	31
Dollar Value of Samples	\$ 18,500

I found the municipality's purchasing procedures to be in agreement with the requirements of the above-mentioned sections.

- 6. I have read the Municipal Compliance Questionnaire completed by the municipality. The following responses to the questionnaire indicate noncompliance with state requirements:
 - a. Required trust funds have not been established for utility revenue bonds. The bonds are being paid out of the general fund.
 - b. Fines and forfeitures are not all collected and remitted. Some are overdue.

Except for the comments in the paragraph above, for those items appliable to the municipality, no instances of non-compliance were noted.

I was not engaged to, and did not perform an examination, the objective of which would be the expression of an opinion on management's compliance with laws and regulations. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the use of the Office of the State Auditor, State of Mississippi, and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. However, this report is a matter of public record and its distribution is not limited.

INDEPENDENT ACCOUNTANT'S COMPILATION REPORT

Honorable Mayor and Board of Aldermen Town of Webb Webb, Mississippi

I have compiled the accompanying statement of cash receipt and disbursements – all fund types of the Town of Webb for the year ended September 30, 2019 in accordance with Statements on Standards for Accounting and Review Services issued by the American institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. I have not audited or reviewed the accompanying statement of cash receipts and disbursements – all fund types and, accordingly, do not express an opinion or any other form of assurance on it.

The town's policy is to prepare its financial statement on the basis of cash receipts and disbursements; consequently, certain revenue is recognized when received rather than when measurable and available, and certain expenditures are recognized when paid rather than when the obligation is incurred. Accordingly, the statement of cash receipts and disbursements – all fund types are not intended to present results of operations, in conformity with generally accepted accounting principles.

Management has elected to omit substantially all the disclosures ordinarily included in financial statements. If the omitted disclosures were included, they might influence the user's conclusions about the town's cash receipts and disbursements. Accordingly, the financial statement is not designed for those who are not informed about such matters.

The supplementary information contained on page 10 is presented for purposes of additional analysis and has been compiled by me from information that is the representation of management of the Town of Webb, without audit or review. Accordingly, I do not express an opinion or any other form of assurance on such supplementary information.
