Code Ann. (1972). It is understood that the report is solely for the use of the governing body of the Town of Woodland, Mississippi, and the Office of the State Auditor and should not be used for any other purpose. Our procedures and findings are as follows:

1. We reconciled cash on deposit with the following banks to balances in the respective general ledger accounts and obtained confirmation of the related balances from the banks:

General Fund	\$ 175,693.64

3. We performed the following procedures with respect to taxes on real and personal property levied during the fiscal year:

None – The Town of Woodland does not assess or collect any real or personal property taxes.

4. We obtained a statement of payments made by the Department of Finance and Administration to the municipality. Payments indicated were traced to deposits in the respective bank accounts and recorded in the general ledger without exception. Payments traced were as follows:

We found the municipality's purchasing procedures to be in agreement with the requirements of the above-mentioned sections.

6. We have read the municipal compliance questionnaire completed by the municipality. The completed survey indicated no instances of non-compliance with state requirements.

Because the above procedures do not constitute an audit in accordance with generally accepted auditing standards, we do not express an opinion on any of the specific accounts or classes of transactions referred to above. In connection with the procedures referred to above, no matters came to our attention that caused us to believe that the items specified in paragraphs 1, 2, and 3 should be adjusted. Had we performed additional procedures or had we conducted an audit of the financial statements in accordance with generally accepted auditing standards, matters might have come to our attention that would have been reported to you.
