

CONTRACT FOR PROFESSIONAL SERVICES

This Contract, entered into as of this 7th day of July, 2021, by and between the Mississippi Supreme Court, hereinafter referred to as the "Court," the Office of the State Auditor, hereinafter referred to as the "OSA", and Harper, Rains, Knight & Company, hereinafter referred to as the "Firm".

1. The Court and OSA desire to engage the Firm to render certain professional services described within this contract and in the attached Audit Services Schedule with respect to the Court's fiscal year 2021, 2022, and 2023 financial statements.
2. The Firm shall receive as compensation as an independent contractor for the described auditing services a fee not to exceed amounts listed below plus any amount authorized by a duly executed amendment as provided in paragraph 13 of this contract:

Fiscal Year 2021 - \$24,850

Fiscal Year 2022 - \$24,850

Fiscal Year 2023 - \$24,850

Said fees are based on the expectation that the Court's accounting records are complete and up-to-date and that the Court will provide, on a timely basis, audit schedules and supporting information, including communication of all significant accounting and financial reporting matters, as well as clerical assistance as is normal and reasonable in the circumstances. If such records, schedules, etc., are not provided or other unforeseen conditions or events arise, the Firm will confer with the Court and OSA to mutually revise the fee to reflect the additional effort required of the Firm to achieve its objectives.

3. The State of Mississippi requires the Firm to submit invoices electronically throughout the term of the agreement. Vendor invoices shall be submitted to the Court using the processes and procedures identified by the State. Payments by the Court using Mississippi Accountability System for Government Information and Collaboration (MAGIC) shall be made and remittance information provided electronically as directed by the State, if applicable. These payments shall be deposited into the bank account of the Firm's choice. The Firm understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.

The Firm's invoices will outline the work performed and the number of hours worked. The Court will pay ninety percent (90%) of each invoice and will retain the remaining ten percent (10%) until final payment is made. The Court will pay such invoices in accordance with the law related to timely payment for purchases by public bodies (Miss. Code Ann. Section 31-7-301 et seq., Rev.1990). The final payment, including retained amounts, shall be made after completion and acceptance of the audit services. In no instance will a payment be made in excess of the contract amount.

4. Audit:

- a. The auditing services will be made in conformity with the following guidelines and regulations:
 - i. The Firm has the responsibility to conduct and will conduct the audit of the Court's financial statements in accordance with auditing standards generally accepted in the United States of America and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, with the objective of expressing an opinion as to whether the presentation of the financial statements that have been prepared by management of the Court, conforms with U.S. generally accepted accounting principles.
 - ii. Special items or reports prescribed by the OSA as set forth in the attached Audit Services Schedule.
 - iii. Compliance with applicable state laws as set forth in the attached Audit Services Schedule.
 - iv. Statements of financial accounting standards as prescribed by the Governmental Accounting Standards Board.
- b. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. In conducting the audit, the Firm will perform tests of the accounting records and such other procedures, as the Firm considers necessary in the circumstances, based on the Firm's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to error or fraud, to provide a reasonable basis for the Firm's opinion on the financial statements. The Firm also will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management of the Court, and evaluate the overall financial statement presentation.
- c. The Firm's audit of the financial statements will be planned and performed to obtain reasonable, but not absolute, assurance about whether the financial statements are free of material misstatement, whether caused by error or fraud. Absolute assurance is not attainable because of the nature of audit evidence and the characteristics of fraud. Because of the inherent limitations of an audit, together with the inherent limitations of internal control, there is an unavoidable risk that some material misstatements, fraud (including fraud that may be an illegal act), and other illegal acts may exist and not be detected by an audit of financial statements even though the audit is properly planned and performed in accordance with the auditing standards generally accepted in the United States of America and *Government Auditing Standards*. Also, an audit is not designed to detect matters that are immaterial to the financial statements, and because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to detect abuse. The firm will also perform certain limited procedures to the required supplementary

information as required by auditing standards generally accepted in the United States of America. However, the Firm will not express an opinion or provide any assurance on the information. The report relating to the financial statements will include the Firm's consideration of required supplementary information.

- d. Subject to the last sentence of the paragraph, the Firm will issue a written report upon completion of the Firm's audit of the Court's financial statements. We realize that the Firm cannot provide assurance that an unqualified opinion will be expressed. Circumstances may arise in which it is necessary for the Firm to modify its opinion, add emphasis-of-matter or other-matter paragraphs or withdraw from the engagement.
- e. In making the Firm's risk assessments as a part of planning and performing the audit of the financial statements, it will consider the Court's internal control relevant to the preparation and fair presentation of the financial statements in order to determine the nature, timing, and extent of its audit procedures for the purpose of expressing an opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of the Court's internal control.
- f. Management of the Court acknowledges and understands that they have responsibility for the preparation and fair presentation, in accordance with U.S. generally accepted accounting principles, of the financial statements and all representations contained therein. Management of the Court also is responsible for identifying and ensuring that the Court complies with laws, regulations, contracts, and grant agreements applicable to its activities, and for informing the Firm of any known material violations of such laws and regulations and provisions of contracts and grant agreements. Management of the Court also is responsible for preventing and detecting fraud, including the design and implementation of programs and controls to prevent and detect fraud, for adopting sound accounting policies, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statements and to provide reasonable assurance against the possibility of misstatements that are material to the financial statements whether due to error or fraud. Management of the Court is also responsible for informing the Firm, of which it has knowledge, of all material weaknesses and significant deficiencies, in the design or operation of such controls. The audit of the financial statements does not relieve management of the Court or the audit committee of their responsibilities.
- g. Management of the Court also acknowledges and understands that it is their responsibility to provide the Firm with: i) access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters; ii) additional information that the Firm may request from management for purposes of the audit; and iii) unrestricted access to persons within the entity from whom the Firm determines it necessary to obtain audit evidence. As required by auditing standards generally accepted in the United States of America, the Firm will make specific inquiries of management of the Court about the representations embodied

in the financial statements and the effectiveness of internal control, and obtain a representation letter from certain members of the Court's management about these matters. The responses to the Firm's inquiries, the written representations, and the results of audit tests, among other things, comprise the evidential matter the Firm will rely upon in forming an opinion on the financial statements.

- h. Management of the Court is responsible for adjusting the financial statements to correct material misstatements and for affirming to the Firm in the representation letter that the effects of any uncorrected misstatements aggregated by the Firm during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements being reported upon, taken as a whole. Because of the importance of management's representations to the effective performance of the Firm's services, the Court agrees to release the Firm and its personnel from any claims, liabilities, costs and expenses relating to the Firm's services under this letter attributable to any misrepresentations in the representation letter referred to above. The provisions of this paragraph shall apply regardless of the form of action, damage, claim, liability, cost, expense, or loss asserted, whether in contract, statute, tort (including but not limited to negligence) or otherwise.
- i. As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, the Firm will perform tests of the Court's compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, the Firm's objective is not to provide an opinion on overall compliance with such provisions. The Firm shall report promptly to the Court and OSA any preliminary findings of possible fraud, misapplication or misappropriation of funds.
- j. In accordance with *Government Auditing Standards*, as part of planning of the audit the Firm will evaluate whether the Court has taken appropriate corrective action to address findings and recommendations from previous engagements that could have a material effect on the financial statements. To assist the Firm, management of the Court agrees to identify previous audits, attestation engagements, or other studies that relate to the objectives of the audit, including whether related recommendations have been implemented.
- k. In accordance with *Government Auditing Standards*, the Firm will also issue a management letter to communicate instances of noncompliance with provisions of contracts or grant agreements or abuse that have an effect on the financial statements that is less than material but warrant the attention of those charged with governance. In accordance with *Government Auditing Standards*, the Firm is also required in certain circumstances to report fraud, noncompliance with provisions of laws, regulations, contracts, or grant agreements, or abuse directly to parties outside the auditee.
- l. In accordance with *Government Auditing Standards*, the Firm will also provide

OSA with a Subsequent Event memorandum to communicate instances of any and all events subsequent to the reporting period that may have an effect on the financial statements. The reporting period is defined as the commencement of the contract to the final issuance of the Annual Comprehensive Financial Report (ACFR).

m. The Firm will report to management of the Court, in writing, the following matters:

- i. Material, corrected misstatements that were brought to the attention of management as a result of audit procedures.
- ii. Uncorrected misstatements accumulated by the Firm during the audit and the effect that they, individually or in the aggregate, may have on the Firm's opinion in the auditor's report, and the effect of uncorrected misstatements related to prior periods.
- iii. Significant difficulties and disagreements with management, if any, encountered during the Firm's audit.
- iv. Other matters required to be communicated by auditing standards generally accepted in the United States of America.

To the extent that they come to the Firm's attention, it will inform the appropriate level of management of the Court and OSA about any illegal acts, unless they are clearly inconsequential, material errors in the financial statements and any instances of fraud. Further, to the extent they come to the Firm's attention, it also will communicate illegal acts that come to the Firm's attention, unless they are clearly inconsequential, material errors in the financial statements and any instances of fraud that involve senior management or that, in the Firm's judgment, cause a material misstatement of the financial statements.

If, during the performance of the Firm's audit procedures, circumstances arise which make it necessary to modify their report or withdraw from the engagement, the Firm will communicate its reasons for modification or withdrawal.

5. The Firm:

- a. shall provide any adjustments needed for proper financial statement presentation, approved by Court management, to the OSA by October 15, 2021, and subsequent years. Draft financials shall be provided by October 22, 2021, and subsequent years. The completed audit reports and management letter on the audited funds will be required by October 31, 2021, and subsequent years. If the completed audit report differs significantly from the draft provided, OSA shall request a reconciliation between the reports from the Firm.
- b. The Firm acknowledges that the Court and OSA are relying on the timely completion of this contract in its scheduling and budgeting and that time is of the essence. If the Firm fails to meet the completion date prescribed herein, the Court

and/or OSA may, at their option, reduce the agreed compensation by an amount not to exceed ten percent (10%) of the total contract amount as liquidated damages for the failure to complete the contract by the completion date provided the failure to meet the report delivery deadline is not the result of Court delays.

6. The contract shall expire one hundred twenty (120) days after the report release date of the ACFR so that any questions raised during the audit may be resolved.
7. The Court's funds and programs (if applicable) selected for audit are hereby incorporated herein as part of this contract, see attachment.
8. The Firm shall submit a monthly progress report which details the work completed the preceding month to the Court and OSA authorized representatives if requested. The report shall be delivered within ten (10) days after the end of the preceding month. The Firm also agrees to provide OSA and the Court with Status Updates sporadically as requested by either party.
9. The Court with the written consent of the OSA's authorized representative is empowered to accept or reject the services furnished by the Firm in compliance with the material provisions of this contract and the attached Audit Services schedule. However, any rejection of services must be based solely on the Firm's failure to comply with the material terms of this contract, and cannot be based on the nature of the Firm's opinion on the financial status of the Court in its audit report. However, prior to termination of this contract by the Court, the Court must provide written justification to the OSA documenting the reasons for requesting the contract be terminated. The Court must obtain written approval from the OSA prior to terminating the contract.
10. The Firm shall have a certified public accountant (CPA) as the certifying official of the final reports.
11. The work papers prepared in conjunction with the services under this contract are the property of the Firm, constitute confidential information and will be retained by the Firm in accordance with its policies and procedures. These records shall be maintained for at least five (5) years; however, if any litigation or other legal action, by or on behalf of the State has begun that is not completed at the end of the five (5) year period, or if audit findings, litigation or other legal action has not been resolved at the end of the five (5) year period, the records shall be retained until resolution. The firm agrees to make its work papers available to subsequent fiscal year audit firms. Upon request by the Court or OSA, any data, files and records collected by the Firm will be destroyed or returned to the Court or OSA. The Firm may retain, however, copies of all such records required for recordkeeping purposes or for compliance with applicable professional standards. Pursuant to *Government Auditing Standards*, the Firm is required to make certain work papers available in a full and timely manner to Regulators upon request for their reviews of audit quality and for use by their auditors. In addition, the Firm may be requested to make work papers available to OSA pursuant to authority provided to it by law or regulation. Access to the requested work papers will be provided under supervision of the Firm's personnel. Furthermore, upon request,

the Firm may provide photocopies of selected work papers to Regulators. Such Regulators may intend, or decide, to distribute the photocopies or information contained therein to others, including other government agencies. A desk review, at least once every three years, is a required review that must be performed to remain in good standing on the registered firms listing. This review is completed in accordance with *Section 7-7-211(k)* of the Miss. Code Ann. (1972), which states, in summary, the State Auditor shall have the authority to contract with qualified public accounting firms to perform selected audits and all files, working papers, notes, correspondence and all other data compiled during the course of the audit shall be available, without cost, to the State Auditor for examination and abstracting during the normal business hours of any business day. Failure to provide timely access to records requested will result in suspension from the registered firm listing and will void this contract.

12. Termination:

- a. **Termination for Cause.** Upon the failure of either party to perform any obligation or observe any covenant required hereunder, the non-defaulting party, with the written consent of the OSA, shall have the right to send a written notice to the defaulting party specifying such failure and demanding cure within ten (10) days of receipt of such notice. If the defaulting party has not remedied such failure within the cure period, or has not made substantial progress toward remedying such failure within the cure period, then the non-defaulting party may terminate the contract immediately by sending a written notice of termination to the defaulting party. However, prior to termination of this contract by the Court, the Court must provide written justification to the OSA documenting the reasons for requesting the contract be terminated. The Court must obtain written approval from the OSA prior to terminating the contract. In the event of termination for cause by the Court and/or OSA, in addition to other remedies provided herein or available at law or in equity, the Firm shall bear all costs associated with the issuance of a new contract for audit services, including, but not limited to, the cost of reissuing another request for proposals and any additional costs resulting from an acceleration of services necessary for the timely completion of such auditing services.
- b. **Termination by Court.** The Court, with the written consent of the OSA, may terminate this contract, with or without cause, by providing a fifteen (15) day written notice of termination to the Firm. However, prior to termination of this contract by the Court, the Court must provide written justification to the OSA documenting the reasons for requesting the contract be terminated. The Court must obtain written approval from the OSA prior to terminating the contract.
- c. In the event of termination, the Firm will be entitled to payment for services in an amount which bears the same ratio to the total compensation as the services actually performed bear to the total services of the Firm covered by

the contract, less payments previously made. In no instance, other than as specified in paragraph 2 will a payment be made in excess of the contract amount for each audited year. All finished or unfinished tests, surveys, checklists, forms, manuals, reports or other material prepared by the Firm under this contract shall become the property of the OSA.

13. The Court, the OSA or the Firm may, from time to time, request changes in the scope of services of the Firm to be performed thereunder. Such changes, including any increase or decrease in the amount of the Firm's compensation, which are mutually agreed upon by and between the Court, the OSA, and the Firm, shall be included in written amendments to this contract signed by all parties prior to the work being performed.
14. The Firm shall not assign or otherwise transfer the obligations incurred on its part pursuant to the terms of this contract without the prior written consent of the Court and OSA. Any attempted assignment or transfer of its obligation without such consent shall be wholly void. All obligations and duties of either party under this contract shall be binding on all successors in interest or assigns of such party.
15. The Firm shall comply, in all material respects, with all applicable laws, regulations, policies and procedures of the United States of America or any Court thereof, the State of Mississippi or any Court thereof and any local governments or political subdivisions that may affect the performance of services under this contract and all applicable laws and regulations relating to discrimination based on age, race, creed, color, sex, and national origin or disability. The Court will assist the Firm in identifying the policies and procedures promulgated by the State of Mississippi or any Court or political subdivision thereof that impact the services.
16. The Firm agrees to indemnify, defend, and hold harmless, the Court and OSA from and against all claims, demands, liabilities, damages and costs relating to our services under this agreement that are attributable to or resulted from intentional, deliberate misconduct or actionable gross negligence of the Firm and/or its partners, principals, agents, employees or subcontractors in the performance of this contract.
17. This contract shall be construed and governed in accordance with the laws of the State of Mississippi.
18. If any term or provision of this contract is prohibited by the laws of the State of Mississippi or declared invalid or void by a court of competent jurisdiction, the remainder of this contract shall not be affected thereby and each term and provision of the contract shall be valid and enforceable to the fullest extent permitted by law.
19. The Firm represents that it has not retained a person to solicit or secure a State contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee.

20. The firm represents that it has not violated, is not violating, and promises that it will not violate the prohibition against gratuities set forth in Section 7-204 (Gratuities) of the "Mississippi Personal Service Contract Procurement Regulations."
21. The Firm certifies that the price submitted in response to the solicitation has been arrived at independently and without – for the purpose of restricting competition – any consultation, communication, or agreement with any other bidder or competitor relating to the price, the intention to submit a bid, or the methods or factors used to calculate the price bid.
22. The Firm certifies to the best of its knowledge and belief, that it and its principals:
- a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by a Federal department or Court;
 - b. Have not within a three-year period preceding this contract been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
 - c. Are not presently indicted or otherwise criminally or civilly charged by a government entity (Federal, State or local) with commission of any of the offenses enumerated in item b. of this certification; and
 - d. Have not within a three-year period preceding this contract had one or more public transactions (Federal, State or local) terminated for cause or default.
23. The Firm shall, during the entire term of this contract, be construed to be an independent contractor. Nothing in this contract is intended to nor shall be construed to create an employer-employee relationship, or a joint venture relationship.

The Firm represents that it is qualified to perform the duties to be performed under this contract and that it has, or will secure, if needed, at its own expense, applicable personnel who are qualified to perform the duties required under this contract. Such personnel shall not be deemed in any way, directly or indirectly, expressly or by implication, to be employees of the Court or the OSA. Any person assigned by the Firm to perform the services hereunder shall be the employee of the Firm, who shall have the sole right to hire and discharge its employee.

The Firm shall pay when due, all salaries and wages of its employees and accepts exclusive responsibility for the payment of federal income tax, state income tax, social security, unemployment compensation and any other withholdings that may be

required.

Neither the Firm nor employees of the Firm are entitled to state retirement or leave benefits.

It is further understood that the consideration expressed herein constitutes full and complete compensation for all services and performance hereunder, and that any sum due and payable to the Firm shall be paid as a gross sum with no withholdings or deductions being made by the Court for any purpose from said contract sum except as permitted in Paragraph 5(b).

24. Failure of any party hereto to insist upon strict compliance with any of the terms, covenants and conditions hereof shall not be deemed a waiver or relinquishment of any similar right or power hereunder at any subsequent time or of any other provision hereof, nor shall it be construed to be a modification of the terms of the contract.
25. The parties expressly understand that the fulfillment of the payment obligations of the Court under this agreement is conditioned upon the availability and receipt of State funds. In the event that funds are insufficient or otherwise unavailable to satisfy payments due under this agreement, the Court shall not be obligated to make such payments, and all further obligations of the Court and the Firm under this agreement shall cease immediately, without penalty, cost or expense to the Court or the Firm of any kind whatsoever. In the event of such insufficiency or unavailability of funding, the Court shall promptly notify the Firm and the OSA, in writing, of such event. The Firm shall be entitled to payment for services in the amount determined under paragraph 12(c) or the amount of available funds, whichever is less.
26. The Firm represents that it will maintain workers' compensation insurance which shall inure to the benefit of all the Firm's personnel provided hereunder, comprehensive general liability or professional liability insurance, and, where applicable, employee fidelity bond insurance.
27. Any dispute concerning a question of fact arising under this contract shall be disposed of by good faith negotiation between duly authorized representatives of the Court, OSA and the Firm. Such a resolution shall be reduced to writing and a copy thereof mailed or furnished to the Firm and shall be final and conclusive. If a resolution cannot be reached, the Firm shall mail or furnish to the Court and OSA a written request for review. The Firm shall be afforded an opportunity to be heard and to offer evidence in support of his/her/its position on the issue in dispute and under review. The review will be handled under a three (3) person panel for dispute resolution composed of the Deputy State Auditor, the Director of Technical Assistance and the Director of the Financial and Compliance Audit Division. The decision of the dispute resolution panel of OSA on the review shall be final and conclusive unless determined by a court of competent jurisdiction in Hinds County, State of Mississippi, to have been fraudulent, capricious, or so grossly erroneous as necessarily to imply bad faith, or not be supported by substantial evidence. Pending final decision of a dispute hereunder, the Firm shall

proceed diligently with the performance of the duties and obligations of the contract.

28. This contract, including the documents and schedules previously discussed in paragraph 4.a. and paragraph 8, constitutes the entire agreement of the parties with respect to the subject matter contained herein and supersedes and replaces any and all prior negotiations, understandings and agreements, written or oral, between the parties relating thereto. A separate engagement letter is being issued covering items required to communicate professional standards that are not covered by the Contract for Professional Services.
29. Firm represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act (Senate Bill 2988 from the 2008 Regular Legislative Session) and will register and participate in the status verification system for all newly hired employees. The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification Court replacing the E-Verify Program. Firm agrees to maintain records of such compliance and, upon request of the State, to provide a copy of each such verification to the State. Firm further represents and warrants that any person assigned to perform services hereunder meets the employment eligibility requirements of all immigration laws of the State of Mississippi. Firm understands and agrees that any breach of these warranties may subject the firm to the following: (a) termination of this agreement and ineligibility for any state or public contract in Mississippi for up to three (3) years, with notice of such cancellation/termination being made public, or (b) the loss of any license, permit, certification or other document granted to the firm by an Court, department or governmental entity for the right to do business in Mississippi for up to one (1) year or (c) both. In the event of such termination/cancellation, the firm would also be liable for any additional costs incurred by the State due to contract cancellation or loss of license or permit.
30. In accordance with the Mississippi Accountability and Transparency Act of 2008, Section 27-104-151, et seq., of the Mississippi Code of 1972, as amended, the American Accountability and Transparency Act of 2009 (P.L. 111-5), where applicable, and Section 31-7-13 of the Mississippi Code of 1972, as amended, where applicable, a fully executed copy of this agreement shall be posted to the State of Mississippi's accountability website at: <https://merlin.state.ms.us>
31. Firm agrees to accept all payments in United States currency via the State of Mississippi's electronic payment and remittance vehicle, if applicable. The Court agrees to make payment in accordance with Mississippi law on "Timely Payments for Purchases by Public Bodies," which generally provides for payment of undisputed amounts by the Court within forty-five (45) days of receipt of invoice. Mississippi Code Annotated § 31-7-305.

32. Payments by state agencies using the State's accounting system shall be made and remittance information provided electronically as directed by the State. These payments shall be deposited into the bank account of Firm's choice. The State may, at its sole discretion, require Firm to electronically submit invoices and supporting documentation at any time during the term of this Agreement. Firm understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.
33. The firm agrees to provide any existing service contract with the school/city/Court as an Appendix to this contract. Additionally, the Firm agrees that if the school/county/Court is desirous to enter into any other service agreement with the Firm, that the Firm will provide that agreement to the Office of the State Auditor for review before execution so that OSA can review for possible impairments of independence. Any violation of this clause is considered breach of contract and can result in contract termination.
34. Any notices required or authorized under this contract shall be delivered to the persons at the addresses designated in this paragraph. Each party may change the person and address designated by delivering written notice to the other party. Any notice shall be effective when actually delivered to the designated address.

The Firm shall perform the following procedures at the request of the OSA:

- Read and provide comments for entries to the trial balance prepared by the Department of Finance and Administration (DFA) based on the Court's GAAP packages and the grant activity schedules prepared by the Court in order to adjust the trial balances, if applicable. These adjusting entries should be prepared on the DFA entry standardized forms and submitted to the Court for approval and then submitted to OSA for review and processing by October 15, 2021, and subsequent years.
- Prepare a schedule of uncorrected misstatements, have Court management approve the schedule, and submit it to OSA for inclusion in communications to DFA.

Following the completion of the audit of the fiscal year's financial statements, the Firm shall issue the following by October 31, 2021, and subsequent years:

- A report on the fair presentation of the financial statements in conformity with generally accepted accounting principles.
- A report, *Report on Internal Control Over Financial Reporting and Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards* (GAGAS report), on the Firm's consideration of internal control over financial reporting and tests of compliance made as part of its audit of the financial statements. Management of the Court is responsible for providing the Firm with written responses in accordance with *Government Auditing Standards* to the findings included in the GAGAS report within 30 days of being provided with draft findings. If such information is not provided on a timely basis prior to release of the report, the GAGAS report will indicate the status of management's responses.

While the objective of the Firm's audit of the financial statements is not to report on the Court's internal control over financial reporting and the Firm is not obligated to search for material weaknesses or significant deficiencies as part of its audit of the financial statements, this report will include any material weaknesses and significant deficiencies to the extent they come to our attention.
