

OFFICE OF THE STATE AUDITOR REPORT NOTE:

Section 7-7-211, Mississippi Code Annotated (1972) gives the Office of the State Auditor the authority to audit, with the exception of municipalities, any governmental entity in the state. In the case of municipalities, *Section 21-35-31, Mississippi Code Annotated (1972)* requires municipalities to obtain an annual audit performed by a private CPA firm and submit that audit report to the Office of the State Auditor. The Office of the State Auditor files these audit reports for review in case questions arise related to the municipality.

As a result, the following document was not prepared by the Office of the State Auditor. Instead, it was prepared by a private CPA firm and submitted to the Office of the State Auditor. The document was placed on this web page as it was submitted and no review of the report was performed by the Office of the State Auditor prior to finalization of the report. The Office of the State Auditor assumes no responsibility for its content or for any errors located in the document. Any questions of accuracy or authenticity concerning this document should be submitted to the CPA firm that prepared the document. The name and address of the CPA firm appears in the document.

ACCOUNTANT'S REPORT ON COMPLIANCE
WITH STATE LAWS AND REGULATIONS

Honorable Mayor and Board of Aldermen
Town of Dumas
Dumas, MS 38625

We have compiled the statement of cash receipts and disbursements (all funds)-cash basis of the Town of Dumas for the year ended September 30, 2021 and have issued our report dated September 2, 2022. We have conducted our compilation in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA.

As required by the state legal compliance audit program prescribed by the Office of the State Auditor, we have also performed procedures to test compliance with certain state laws and regulations. However, providing an opinion on compliance with state laws and regulations was not an objective of our audit and, accordingly, we do not express such an opinion.

The results of those procedures and our compilation of the cash receipts and disbursements disclosed no material instances of noncompliance with state laws and regulations except for our evaluation of the Town's compliance with public purchasing requirements. The Town was not able to provide supporting documentation for items selected for this test of compliance.

This report is intended for the information of the Town's management and the Office of the State Auditor and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.
