## OFFICE OF THE STATE AUDITOR REPORT NOTE:

Section 7-7-211, Mississippi Code Annotated (1972) gives the Office of the State Auditor the authority to audit, with the exception of municipalities, any governmental entity in the state. In the case of municipalities, Section 21-35-31, Mississippi Code Annotated (1972) requires municipalities to obtain an annual audit performed by a private CPA firm and submit that audit report to the Office of the State Auditor. The Office of the State Auditor files these audit reports for review in case questions arise related to the municipality.

As a result, the following document was not prepared by the Office of the State Auditor. Instead, it was prepared by a private CPA firm and submitted to the Office of the State Auditor. ## INDEPENDENT ACCOUNTANTS' COMPILATION REPORT

Honorable Mayor and Board of Alderpersons Town of Jumpertown, Mississippi Jumpertown, Mississippi

Management is responsible for the accompanying statement of cash receipts and disbursements – governmental and business-type activities of the Town of Jumpertown, Mississippi for the year ended September 30, 2021 in accordance with the cash basis of accounting, and for determining that the cash basis of accounting is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the statement of cash receipts and disbursements – governmental and business-type activities nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any assurance on the statement of cash receipts and disbursements – governmental and business-type activities.

The financial statement is prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The supplementary information contained in Schedules 1, 2, and 3 is presented for purposes of additional analysis and is not a required part of the basic financial statement. Such information is the responsibility of management. The supplementary information was subject to our compilation engagement. We have not audited or reviewed the supplementary information and do not express an opinion, a conclusion, nor provide any assurance on such information.

Management has not presented government-wide financial statements to display the cash basis financial position and changes in cash basis financial position of its governmental activities and business-type activities. Accounting principles generally accepted in the United States of America, as applied to the Town's cash basis of accounting, require the presentation of government-wide financial statements. The amounts that would be reported in government-wide financial statements resulting from cash basis transactions for the Town's governmental activities and business-type activities are not reasonably determinable.

Management has elected to omit substantially all of the disclosures ordinarily included in a financial statement prepared in accordance with the cash basis of accounting. If the omitted disclosures were included in the financial statement, they might influence the user's conclusions about the Town's cash receipts and disbursements. Accordingly, the financial statement is not designed for those who are not informed about such matters.

Management has omitted the management's discussion and analysis information and other required supplementary information that is required to be presented for purposes of additional analysis. Such missing information, although not a part of the basic financial statement, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

In accordance with the provisions of Section 21-35-31, Miss. Code Ann. (1972), we have issued a report dated September 28, 2022, on the results of our agreed-upon procedures.

Yours truly,

JONES & JONES

## INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH STATE LAWS AND REGULATIONS

To the Honorable Mayor and Board of Alderman and Office of the State Auditor, State of Mississippi

We have compiled the accompanying Statement of Cash Receipts and Disbursements – Governmental and Business-Type Funds of the Town of Jumpertown, Mississippi, for the year ended September 30, 2021 in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants, and have issued our report dated September 28, 2022. The financial statement has been prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

We have performed procedures to test compliance with certain state laws and regulations as described by the Municipal Compliance Questionnaire that is prescribed by the Office of the State Auditor. Our procedures were substantially less in scope than an audit, the objective of which is the expression of an opinion on the Town's compliance with these requirements. Accordingly, we do not express such an opinion.

With respect to items tested, the results of those procedures and our compilation of the accompanying Statement of Cash Receipts and Disbursements – Governmental and Business-Type Funds of the Town of Jumpertown, Mississippi, for the year ended September 30, 2021 disclosed one material instance of noncompliance with state laws and regulations due to not documenting the adoption of the County's tax roll assessed valuations.

This report is intended for the information of the Town's management and the Office of the State Auditor and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record, and its distribution is not limited.
