

OFFICE OF THE STATE AUDITOR REPORT NOTE:

Section 7-7-211, Mississippi Code Annotated (1972) gives the Office of the State Auditor the authority to audit, with the exception of municipalities, any governmental entity in the state. In the case of municipalities, *Section 21-35-31, Mississippi Code Annotated (1972)* requires municipalities to obtain an annual audit performed by a private CPA firm and submit that audit report to the Office of the State Auditor. The Office of the State Auditor files these audit reports for review in case questions arise related to the municipality.

As a result, the following document was not prepared by the Office of the State Auditor. Instead, it was prepared by a private CPA firm and submitted to the Office of the State Auditor. The document was placed on this web page as it was submitted and no review of the report was performed by the Office of the State Auditor prior to finalization of the report. The Office of the State Auditor assumes no responsibility for its content or for any errors located in the document. Any questions of accuracy or authenticity concerning this document should be submitted to the CPA firm that prepared the document. The name and address of the CPA firm appears in the document.

INTRODUCTORY SECTION (UNAUDITED)

This section contains a letter of transmittal intended to give the reader a concise but thorough understanding of the background, structure, and the economic and financial condition of the City. An organizational chart is included along with a listing of principal City officials.

March 30, 2022

To the Citizens of the City of Ridgeland, Mississippi:

It is our pleasure to submit the Annual Comprehensive Financial Report (ACFR) of the City of Ridgeland, Mississippi, for the fiscal year ended September 30, 2021. Responsibility for the accuracy of the data presented and the completeness and fairness of the presentations in the financial statements, including all disclosures, rests with the management of the City of Ridgeland. This report was prepared in conformity with accounting principles generally accepted (GAAP) in the United States of America.

The City is responsible for establishing and maintaining internal controls to ensure that adequate accounting data is compiled to allow preparation of financial statements in conformity with GAAP. Because the cost of a control should not exceed the benefits likely to be derived, internal controls have been implemented to provide reasonable, but not absolute, assurance regarding the reliability of the financial statements. We believe the information as presented is complete and accurate.

Haddox Reid Eubank Betts PLLC, Certified Public Accountants, performed an examination, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, of the basic financial statements for the City of Ridgeland. Their unmodified opinion is presented as the first page of the financial section of this report. Also, as required by federal law, a single audit was conducted and the report includes a report on compliance and internal control over compliance on major federal program funds expended by the City of Ridgeland.

GAAP requires that management provide a narrative introduction, overview and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The MD&A of the City of Ridgeland can be found immediately following the auditor's report.

Profile of the Government

The City of Ridgeland, incorporated in 1899, is located in central Mississippi in south Madison County. With a land area of 28 square miles, the City has grown rapidly since 1980. The City of Ridgeland has seen continuous growth in population from census figures of 11,714 in 1990 to 20,173 in 2000 to 24,047 in 2010. The latest population count as of July 1, 2020 is 24,104.

The Ross Barnett Reservoir, a major recreational area, adjoins Ridgeland to the east. The Natchez Trace Parkway, a Federal park commemorating the historical route from Natchez, Mississippi to Nashville, Tennessee, goes through the heart of the City.

Profile of the Government - continued:

Ridgeland is a code-charter municipality that operates under a Mayor/Board of Aldermen form of government. The Mayor is full-time and is elected at-large. Of the seven aldermen, six are elected by ward and one is elected at-large. The Mayor and Board serve concurrent four-year terms. The next city-wide general election will be held in 2025.

Accounting System and Budgetary Control

The financial statements present information on the financial position and operations of the City as a single comprehensive reporting entity. The City of Ridgeland provides a full range of services to enhance and protect the lives of its citizens. The services include, but are not limited to, police and fire protection, water and sewer services, construction and maintenance of streets and infrastructure, planning and zoning, recreational and cultural services, and general administrative services.

The City of Ridgeland maintains specific budgetary controls. The objective of the budgetary controls is to ensure compliance with legal provisions embodied in the annual appropriated budget approved by the Mayor and Board of Aldermen. Activities of the general funds, debt service funds, capital projects funds, and enterprise funds are included in the annual appropriated budget. The legal level of budgetary control, the level at which expenditure can not legally exceed the appropriated amount, is established by major expenditure classifications within departments. These major classifications are personnel, supplies, services, and capital outlay. Any change in the appropriated amount of any major classification requires approval by the Mayor and Board of Aldermen. The City Clerk can approve any transfer within a major classification.

Factors Affecting Financial Condition

The City of Ridgeland is located in one of the fastest growing areas of the state. The City has seen steady economic growth from the 1980s through 2021. The City issued building permits in 2021 with a construction value of over \$106 million.

Ridgeland continues to enjoy a balanced mix of residential and commercial development. The opening of 950,000 square foot Northpark mall in 1985 was the catalyst for a retail building boom in this area. Other commercial development quickly followed the original opening of Northpark mall, with an associated increase in residential construction. Northpark mall announced a \$25 million renovation in 2017 that was completed in 2019. This renovation includes new interior finishes, new interior lighting, an expanded food court, new entrance features, new parking lot LED lighting, and a repaved parking lot. Now that it is complete, the mall has a brand new feel with a modern style with Southern charm and is expected to boost values and leases in the area. Northpark mall ownership group purchased the adjacent movie theater, signed a lease agreement with B&B Theater, and has substantially renovated the facility to modernize with state of the art technology and furnishings. B&B Theater is a luxury multi-screen theater that offers the latest in sound and comfort and includes a MX4D motion EFX auditorium.

In 2002, Madison County saw the beginning operations of a \$930 million Nissan production plant, which employs as many as four thousand employees in its automotive production facilities. The Nissan growth was accompanied by second-tier supplier growth and many more associated jobs.

Highland Colony Parkway was constructed in the late 1990s and has blossomed into a vibrant mixed-use corridor. Many international, national, and regional office headquarters have located along the Parkway. The Parkway is also home to numerous retail developments including Renaissance at Colony Park and Township at Colony Park. Renaissance is a multi-phased development with 780,000 square foot retail, restaurant, and office development that is adjacent to several mid-rise office buildings. The first phase of Renaissance is home to 400,000 square feet of retail, restaurant and office businesses. The second phase of the Renaissance,

Factors Affecting Financial Condition - continued:

includes an additional 80,000 square feet of retail, restaurants and a boutique movie theater. The third phase of Renaissance is anchored by a 150,000 square foot Costco and includes a Walk-On's restaurant which opened September 2021, and an 8,000 square foot retail building that includes an X-Finity store that opened May 2021. Additional building sites for 150,000 square feet of retail and restaurant space are available in Renaissance Phase 3. Renaissance Phase 4 includes a Costco Fuel Center and is expected to become a location for several convenience-related uses over the 9-acre phase. A Wendy's restaurant opened in 2020 and a Chick-fil-a restaurant opened March 2022. In addition, several neighborhoods have developed around the Parkway. The Township continues to grow with the construction of a new Marriott AC Hotel and is planning a new Autograph by Marriott Hotel and conference center and civic space. The Highland Colony Parkway corridor remains the fastest growing area of the City of Ridgeland.

The Interstate 55 corridor continues to grow with development. Horne LLP recently completed a 95,712-square foot Class A+ office building at the corners of I-55, Colony Park Boulevard and Sunnybrook Road.

Madison County and adjacent Hinds and Rankin counties comprise what is known informally as the "Metro Area". The City of Ridgeland has one of the lowest tax rates in the area, which has remained unchanged since 1992.

Long-Term Financial Planning

In 2008, a long-term strategic plan was adopted by the Mayor and Board of Aldermen with input from citizens and the business community. The primary focus during the coming years will be continued improvement of transportation infrastructure and neighborhood revitalization. As with any rapidly-growing municipality, the City of Ridgeland is faced with keeping up with current demand for services as well as planning for long-term growth.

Major Initiatives

The City of Ridgeland has received national recognition for Freedom Ridge Park, earning multiple awards from USA Softball and other organizations. This led to the City of Ridgeland being selected to host the Men's and Women's USA Softball National Championship Softball Series at Freedom Ridge Park in 2018. This marks only the second time the event was held outside of USA Softball's headquarters in Oklahoma City, and on both occasions the City of Ridgeland was selected as the host site.

Ridgeland Recreation and Parks is also a nineteen-time recipient of USA Softball's James Ferrell Award of Excellence, awarded to cities annually for hosting the country's highest-rated softball tournaments. Ridgeland's Freedom Ridge Park was selected as the 2007 USA Softball National Complex of the Year. In 2018, Ridgeland Recreation and Parks designated space at Hite Wolcott Park to be used as a Miracle League Field. An existing field was renovated by the Miracle League of Central Mississippi into a new custom-designed field with accessible features.

Ridgeland is an environmental hero among cities, earning the following awards for its efforts in recycling and environmental protection: 2013 First Place Local Government Award from Keep Mississippi Beautiful; local Mayor Award, Public Works Director Award, and Steward in the Mississippi Department of Environmental Quality's Enhance Program since 2011; Local Government Recycler of the Year 2011 and 2013 from the Mississippi Recycling Coalition; established and environmental policy Merit Award from the American Society of Landscape Architects for the Ridgeland Area Master Plan; and Tree City USA certification since 2009. The Ridgeland Area Master Plan earned a Clarion-Ledger/Mississippi Municipal

Major Initiatives - continued:

League Excellence Award for Planning and Development in 2008 for its citizen-led process of developing a long-range vision for Ridgeland's future. The plan included progressive tactics to enhance development in a sustainable manner.

Ridgeland has also been recognized for its forward thinking and technology-oriented businesses. Ridgeland was named Mississippi's City 2013 by Google for its strong online business community, making Ridgeland one of the nation's digital capitals. BusinessWeek.com named Ridgeland as the Best Small City for Startups in Mississippi in 2009.

Known as a destination for bicycling and a promoter of bicycling safety, Ridgeland earned the bronze award for Bicycle Friendly Community 2010-2015 by the League of American Bicyclists. Designated bike routes in Ridgeland include the Natchez Trace Parkway and Highland Colony Parkway. Local bicycling events often use the multiuse trails, mountain bike trails and the bike routes in Ridgeland.

In 2007, the City of Ridgeland issued \$19,365,000 in bonds for improvement to the water and sewer system, widening Lake Harbour Drive to five lanes, and other miscellaneous drainage, roadway, and park improvements. Construction is completed.

In 2011, the City of Ridgeland issued \$5,825,000 in bonds for the design and construction of a City Center, which was selected as the priority project by the citizen-based Master Plan Steering Committee. The 2011 bonds also funded the construction of an open-air pavilion at the multi-use trail head. The pavilion includes picnic tables, restrooms, a bike rack and a bike repair station.

In 2014, the City issued \$5,100,000 in bonds for continued design and construction of the City Center and the Right-of-way and relocation of Colony Park Boulevard. In 2015, the City issued \$11.9 million bonds for continued construction of the Lake Harbour Extension project. This project is estimated to cost approximately \$24 million. In 2019, the city issued \$19,960,000 in bonds for the continued construction of the City Center and improvements at Freedom Ridge and Wolcott parks. These projects are all complete.

The Mayor and Board of Aldermen continue to appropriate \$1,400,000 of the annual budget for street maintenance.

Mississippi law limits the amount of general obligation debt a municipality may issue to 15% of total assessed valuation. With an assessed valuation of \$476,979,272, the City of Ridgeland's margin for further issuance of general obligation debt is \$31,156,536 as of September 30, 2021.

Moody's Investor Services, widely regarded as one of the top three companies in financial research and analysis, awarded the City of Ridgeland with a bond rating of Aa2. Aa2 is categorized as high-grade for long-term debt ratings and Prime-1, which is highest quality, for short-term debt ratings. Aa2 is subject to very low credit risk. The Aa2 rating received by the City of Ridgeland is the highest bond rating among cities in the State of Mississippi.

Financial Awards and Acknowledgements

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the City of Ridgeland for its Annual Comprehensive Financial Report (ACFR) for the fiscal year ended September 30, 2020. The Certificate of Achievement is a prestigious national award recognizing conformance with the highest standards for preparation of state and local government financial reports.

Financial Awards and Acknowledgements - continued:

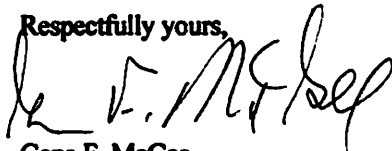

In order to be awarded a Certificate of Achievement, a government unit must publish an easily readable and efficiently organized Annual Comprehensive Financial Report, whose contents conform to program standards. The reports must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year. This is the twenty-ninth consecutive year that the City of Ridgeland has received this prestigious award. We believe our current report continues to conform to the Certificate of Achievement Program requirements, and we are submitting it to GFOA.

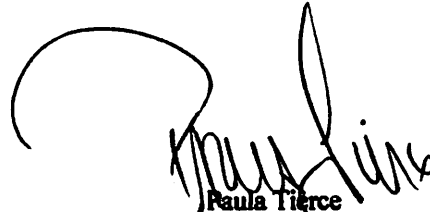

The preparation of this report on a timely basis could not have been accomplished without the cooperation of the entire staff of the Department of Finance Administration. We also wish to express our appreciation to the other departments within the City of Ridgeland for their submission of information for this report.

In conclusion, we acknowledge the Board of Aldermen who consistently support the goal of excellence in all aspects of financial management by the City of Ridgeland. Their continuing interest and support are greatly appreciated.

Respectfully yours,

INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and Board of Aldermen
City of Ridgeland
Ridgeland, Mississippi

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Ridgeland, Mississippi, as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the City of Ridgeland, Mississippi's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Auditor's Responsibility - continued:

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Ridgeland, Mississippi, as of September 30, 2021, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 14 to 34, the Schedule of the City's Proportionate Share of the Net Pension Liability, the Schedule of the City's Contributions, and budgetary comparison information (Exhibits B1-B3) on pages 83 to 89 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Ridgeland, Mississippi's basic financial statements. The introductory section, combining and individual fund financial statements and schedules (Exhibits C-1 - C-22), supplemental information section (Schedules D-1 - D-3) and statistical section (Tables 1 - 25), are presented for purposes of additional analysis and are not a required part of the basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements and schedules, the supplemental information section, and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements, the supplemental information, and schedules and the schedule of expenditures for federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Matters - continued:

Other Information - continued:

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reports Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 30, 2022, on our consideration of the City of Ridgeland, Mississippi's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City of Ridgeland, Mississippi's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Ridgeland, Mississippi's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE YEAR ENDED SEPTEMBER 30, 2021

Our discussion and analysis of the City of Ridgeland's (the City) financial performance provides an overview of the City's financial activities for the year ended September 30, 2021. The intent of this discussion and analysis is to look at the City's financial performance as a whole. Readers are also encouraged to review the financial statements and the notes to the financial statements to enhance their understandings of the City's financial performance.

FINANCIAL HIGHLIGHTS

- Total net position of the City increased \$3,717,331, as a result of this year's operations (\$3,590,786 increase in 2020).
- General revenues of the City account for \$31,849,970 or 65.09% of all revenues in 2021. General revenues accounted for \$27,829,137 or 60.5% of all revenues in 2020. Program specific revenues in the form of charges for services and grants and contributions accounted for \$17,079,670 or 34.91% of total revenues in 2021, compared with \$18,172,543 or 39.5% of total revenues in 2020.
- The City had \$45,212,309 in expenses, an amount which increased when compared with the \$42,410,894 in expenses for 2020; \$17,079,670 of these expenses were offset by program specific charges for services, grants and contributions. General revenues of \$31,849,970 and \$27,829,137 were adequate to provide for these programs in 2021 and 2020, respectively.
- Among the major funds, the General Fund had \$27,031,413 in revenues and \$23,998,618 in expenditures. In 2020, the General Fund had \$24,026,222 in revenues and \$24,691,750 in expenditures. The General Fund's fund balance increased by \$3,406,268 from 2020 to 2021 and increased by \$494,941 from 2019 to 2020.
- The Public Utility Fund had \$6,977,574 in operating revenues and \$5,872,248 in operating expenses. Its decrease in net position after net non-operating expenses and transfers was \$929,260. Last year it reported \$6,961,629 in operating revenues and \$6,434,063 in operating expenses. The prior year decrease in net position was \$218,899 after net non-operating expenses, transfers, and capital contributions.
- Capital assets, net of accumulated depreciation, increased by \$4,375,900 in the governmental activities from 2020 to 2021. Capital assets, net of accumulated depreciation, increased by \$19,420,476 in the governmental activities from 2019 to 2020.

FINANCIAL HIGHLIGHTS - CONTINUED:

- Long-term debt increased by \$3,057,343 in the governmental activities from 2020 to 2021 as a result of the addition of a new tax incremental financing bonds of \$7,800,000 and new general obligations bonds of \$2,419,000. Long-term debt decreased by \$583,234 in the governmental activities from 2019 to 2020.
- Long-term debt decreased by \$1,154,940 in the business-type activities from 2020 to 2021. The decrease was attributed to current year principal payments on long-term debt. Long-term debt decreased by \$1,137,590 in the business-type activities from 2019 to 2020.

USING THE ANNUAL FINANCIAL REPORT

This annual report consists of a series of financial statements and notes to those statements. These statements are organized so the reader can understand the City of Ridgeland, Mississippi as a financial whole or as an entire operating entity. The statements then proceed to provide an increasingly detailed look at specific financial conditions.

The Statement of Net Position and Statement of Activities provide information about the activities of the whole City, presenting both an aggregate view of the City's finances and a longer-term view of those assets. Major fund financial statements provide the next level of detail. For governmental funds, these statements show how services were financed in the short-term as well as what dollars remain for future spending. The fund financial statements also look at the City's most significant funds with all other non-major funds presented in total in one column.

REPORTING THE CITY AS A WHOLE

Statement of Net Position and Statement of Activities

While this document contains information about the funds used by the City to provide services to our citizens, the view of the City as a whole looks at all financial transactions and asks the question, "How did we do financially during 2021?" The Statement of Net Position and the Statement of Activities answer this question.

These statements include all assets and liabilities using the accrual basis of accounting similar to the accounting used by private sector companies. The accrual basis of accounting takes into account all of the current year's revenues and expenses regardless of when the cash is received or paid. These two statements report the City's net position for the 2021 fiscal year and changes in them. The City's net position - assets plus deferred outflows of resources less liabilities and deferred inflows of resources - is one way to measure the City's financial health or financial position. Over time, increases or decreases in the City's net position are one indicator of whether its financial health

is improving or deteriorating. However, in evaluating the overall position of the City, non-financial information, such as changes in the City's tax base and the condition of the City's capital assets, will also need to be evaluated.

In the Statement of Net Position and the Statement of Activities, the City is divided into two types of activities:

- **Governmental Activities** - Most of the City's basic services are reported here which includes general government, police, fire, court services, public services, health and welfare, and culture and recreation. Property taxes, sales taxes, court fines and fees, and franchise fees finance most of these activities.
- **Business-Type Activities** - The City charges a fee to customers to help it cover all or most of the cost of certain services it provides. The City's public utility system, regional sewer system, and sanitation services are reported here.

Reporting the City's Most Significant Funds

Fund Financial Statements

The analysis of the City's major funds begins on page 37. The fund financial statements provide detailed information about the City's most significant funds - not the City as a whole. Based on restrictions on the use of monies, the City has established many funds which account for the multitude of services provided to the City's residents. Some funds are required to be established by State law, while others are established by the City to help control and manage money for a particular purpose. However, these fund financial statements focus on the City's most significant funds. The City's two types of funds - governmental and proprietary - utilize different accounting approaches.

Governmental funds - The majority of the City's basic services are reported in governmental funds, which focus on how money flows into and out of the individual funds, and the balances left at year-end available for spending in future periods. These funds are reported using an accounting method called modified accrual basis of accounting, which measures cash and all other financial assets that can readily be converted to cash. The governmental fund statements provide a detailed short-term view of the City's general government operations and the basic services it provides. Governmental fund information helps determine whether there are more or fewer financial resources that can be spent in the near future on services provided to the City's residents. The relationship (or differences) between government activities (reported in the Statement of Net Position and the Statement of Activities) and governmental funds is reconciled in the financial statements.

The City of Ridgeland considers the General Fund, Debt Service Fund, Colony Park TIF Bond Debt Fund, City Center Fund, 2019 \$19.96M Bond Issue Fund, and Renaissance III TIF Bond Debt Fund to be major funds and, therefore, presents information on these funds separately in the Governmental Funds Balance Sheet and in the Governmental Funds Statement of Revenues, Expenditures, and Changes in Fund Balances. Data from all other governmental funds are combined into a single, aggregated nonmajor fund presentation.

Proprietary funds - The City charges customers for certain services it provides. These services are reported in proprietary funds. Proprietary funds are reported in the same way that all activities are reported in the Statement of Net Position and the Statement of Activities. In fact, the City's enterprise funds are identical to the business-type activities that are reported in the government-wide statements but provide more detail and additional information such as cash flows. The Internal Service Fund is utilized to report activities that provide services for the City's other programs and activities. Because these services benefit both governmental as well as business-type functions, their cost has been included in both the governmental and business-type activities in the government-wide financial statements.

The City of Ridgeland maintains three individual enterprise funds. The City uses enterprise funds to account for its public utility system, regional sewer system and sanitation services. The proprietary fund financial statements provide separate information for the Public Utility Fund, East Madison County Regional Sewer Fund, and Sanitation Fund.

FINANCIAL ANALYSIS OF THE CITY

Over time the trend as well as the amount of net position may serve as a useful indicator of a government's financial position. In the case of the City, assets and deferred outflows exceeded liabilities and deferred inflows by \$240,676,452 at September 30, 2021.

Governmental Activities

The following chart depicts the total amount of assets, deferred outflows, liabilities, deferred inflows and net position as of September 30, 2021 and 2020, in the governmental activities column of the government-wide financial statements. The amounts are expressed in thousands.

The largest portion of the City's net position for governmental activities (\$191,904,266, or 95.3%) is net investment in capital assets (capital assets less any capital related outstanding debt used to acquire those capital assets). Although the City's investment in capital assets is reported net of the related debt, it should be noted that the resources needed to repay this debt must be provided from other sources and not the capital assets themselves.

Table 1 provides a summary of the City's net position for governmental activities. The City's net position for governmental activities was \$201,378,521 and \$198,912,048 as of September 30, 2021 and 2020, respectively.

MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED SEPTEMBER 30, 2021

FINANCIAL ANALYSIS OF THE CITY - CONTINUED:

Governmental Activities - continued:

Governmental activities revenues increased \$3,541,456 from 2020 to 2021. The most significant changes resulted from the following:

- An increase of \$2,589,720 in sales tax revenue in 2021 compared with 2020.
- A decrease of \$2,594,146 in capital grants and contributions revenue in 2021 compared with 2020.
- An increase of \$3,477,357 in intergovernmental revenue.
- An increase of \$561,693 in operating grants and contributions.
- A decrease in interest and investment earnings of \$718,017.

Several revenue sources fund our governmental activities. The City's largest source of operating revenue was received from sales tax which accounted for 16,465,896 or 42.6% of total revenues; and property taxes accounted for \$10,274,549 or 26.6% of total revenues. Capital and operating grants and contributions amounted to \$2,548,812 or 8.3% of total revenues.

Governmental activities expenses increased \$4,147,438 from 2020 to 2021 which represents an 13.0% increase. Major expense activities include police and fire safety expenses accounting for 29.8% of the total program expenses, and public services expenses accounting for 23.9%. The City of Ridgeland is committed to providing the best services possible for its citizens.

The City of Ridgeland has worked very hard to increase our property tax base and our sales tax collections by being proactive with new businesses in our City and limiting increases in operating costs to the minimum amount necessary to provide essential services for each department. The ability of the City to continue to provide quality services without increasing taxes rests on the City management's ability to keep these costs in line.

General Government Functions

The City's General Fund is used to account for expenditures of traditional services as well as all financial resources other than those required to be accounted for in other funds. General Fund revenues include property tax, sales tax, intergovernmental revenues, various permit fees, franchise taxes, fines, and other sources as indicated on the accompanying graphs and tables.

General Fund Revenues

The primary source of General Fund revenues is sales tax. The State of Mississippi levies a general sales tax of 7% on most retail sales. Of the amount collected by the state, each municipality receives 18.5% of the amount collected within its corporate boundaries. Sales tax accounted for 56.0% of General Fund revenues in fiscal year 2021, compared to 51.9% in fiscal year 2020. Sales tax collections in fiscal year 2021 were \$15,139,232, a 21.4% increase compared to the \$12,469,510

collected in 2020. Total General Fund operating revenues were \$27,031,413, an increase of \$3,005,191 compared to the prior year. The increase in current year revenues for General Fund is attributed to an increase in sales tax in the amount of \$2,669,722 along with an increase in intergovernmental revenue in the amount of \$475,618.

Assessed valuation within the City has increased 0.9% from fiscal year 2020. The City continues to attract residents and businesses alike. The following graph presents the City's sources of revenue for the General Fund.

Status of General Fund Balance

On the General Fund balance sheet, fund balance is reported in classifications that comprise a hierarchy based primarily on the extent to which the government is bound to honor constraints on the specific purposes for which amounts in those funds can be spent and the remaining portion is available for appropriation. The fiscal year ended September 30, 2021 ending unassigned fund balance is \$18,754,505 which is 78.15% of the general fund operating expenditures.

Other Governmental Funds

As the City completed the year, its governmental funds reported a combined fund balance of \$33,398,468, a decrease of \$2,178,214. \$18,731,589 or 56.1% of the fund balance is classified as unassigned, which represents the residual classification of fund balance that has not been assigned to other funds and that has not been restricted or assigned to specific purposes. The remaining fund balance of \$14,666,879 or 43.9% is either nonspendable, restricted or assigned to indicate that it is not available for spending except only for the purposes to which it is restricted, committed or assigned.

Unassigned fund balance is the residual classification for the general fund. This year the City of Ridgeland had a positive \$18,754,505 unassigned fund balance in the general fund, which constitutes 56.2% of the total fund balance in the governmental funds. The Other Nonmajor Funds had negative unassigned fund deficit of \$22,916. The Board of Aldermen passed a resolution in a previous year to maintain a fund balance of at least 45% of expenditures in the General Fund.

The increase in fund balance in General Fund was \$3,406,268. The increase in the fund balance of General Fund is attributed to an increase in sales tax in 2021 compared to 2020. The decrease in the fund balance of Debt Service Fund was \$281,350. The decrease in the fund balance of Debt Service Fund is the result of current year property tax and other revenue not exceeding the current year debt service requirements. The increase in the fund balance of Colony Park TIF Bond Fund was \$114,808. The increase in the fund balance of Colony Park TIF Bond Fund is the result of current year tax and other revenue exceeding current year debt service requirements. The City Center Fund reported a decrease in fund balance of \$4,831,412. The decrease is due to the bond proceeds in the prior year being spent on the project of \$5,676,541. The 2019 \$19.96M Bond Issue Fund decreased by \$164,334 as the result of capital outlay of \$159,305 for the year. Renaissance III TIF Bond had an increase of \$310,085. The increase can be contributed to bond proceeds received exceeding bond cost paid. Other non-major funds reported a decrease in fund balance of \$732,279. The decrease can be attributed to bond proceeds received during the prior year that were expended during the current year on capital projects.

Proprietary Funds

Ridgeland's proprietary operations consist of the Public Utility Fund, the Sanitation Fund, and the East Madison County Regional Sewer (EMCRS) Fund. The Public Utility Fund accounts for traditional water and sewer revenues and expenditures to construct and maintain a water and sewer system. The Sanitation Fund accounts for revenues from garbage and recycling fees and expenses for those services. The East Madison County Regional Sewer Fund was created through an agreement between the Cities of Ridgeland, Madison, and the Pearl River Valley Water Supply District whereby all sewage is sent through interceptor lines to be treated at the City of Jackson treatment plant. All entities involved collect a separate sewer fee for this service and submit the fee to the City of Ridgeland monthly. The City of Ridgeland maintains the accounting records, forwards payments to the City of Jackson, and performs maintenance on the system.

CITY OF RIDGELAND, MISSISSIPPI
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED SEPTEMBER 30, 2021

FINANCIAL ANALYSIS OF THE CITY - CONTINUED:

Business-Type Activities - continued:

Public Utility Fund

The City operates its own water and sewer utility system. Comparative financial data for the Public Utility Revenue Fund for the last two fiscal years is presented below:

	<u>2021</u>	<u>2020</u>
Operating revenues	\$ 6,977,574	6,961,629
Operating expenses	<u>(5,872,248)</u>	<u>(6,434,063)</u>
Operating income	\$ <u>1,105,326</u>	<u>527,566</u>

The increase in current year operating revenues of the Public Utility Fund is the result of an increase in water and sewer usage and increase in fees for new services.

East Madison County Regional Sewer Fund

The fund is used to account for monies collected from customers of the City of Ridgeland, the City of Madison, and the Pearl River Valley Water Supply District for operation and maintenance of the regional sewer utility and for payments to the City of Jackson for treatment of sewage at their treatment plant. The amount each entity contributes is based on flow which is metered at various locations.

Comparative financial data for the East Madison County Regional Sewer Fund for the last two years is presented as follows:

	<u>2021</u>	<u>2020</u>
Operating revenues	\$ 1,591,390	2,125,914
Operating expenses	<u>(1,223,080)</u>	<u>(2,143,019)</u>
Operating loss	\$ <u>368,310</u>	<u>(17,105)</u>

The required member billings and related operating expenses for East Madison County Sewage Disposal System were lower in the current year as a result of the credits being fully utilized in the prior years.

MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED SEPTEMBER 30, 2021

FINANCIAL ANALYSIS OF THE CITY - CONTINUED:

Business-Type Activities - continued:

Sanitation Fund

Comparative financial data for the Sanitation Fund for the last two years is presented as follows:

	<u>2021</u>	<u>2020</u>
Operating revenues	\$ 1,588,648	1,575,307
Operating expenses	<u>(1,693,719)</u>	<u>(1,491,882)</u>
Operating income	\$ <u>(105,071)</u>	<u>83,425</u>

The increase in expenses is due to an increase in other service charges during the year.

GENERAL FUND BUDGETARY HIGHLIGHTS

The City's budgets are prepared using the modified cash basis in accordance with the laws of the State of Mississippi. The most significant budgeted fund is the General Fund.

Original Budget Compared to Final Budget

The original General Fund revenue budget of \$22,423,716 was increased by amendments totaling \$919,960 to a final revenue budget of \$23,343,676.

The original General Fund expense budget of \$23,655,037 was increased by various amendments totaling \$2,116,476 to a final expense budget of \$25,771,513. Major components of the amendments included:

- Expenditures for general government were increased \$100,000 as a result of an increase in legal fees.
- Expenditures for public services were increased by \$1,718,971 for street improvements, \$55,000 for tree mitigation, and \$177,800 for Freedom Ridge Retention pond clean out.
- Expenditures for public safety capital were increased \$62,725 related to insurance proceeds.

Final Budget Compared to Actual Results

Actual revenues for the year were \$3,055,819 more than estimated. This was due mainly to a significant increase in sales taxes.

Actual expenditures for the year were \$1,999,643 less than budgeted. In general, the City has been proactive in limiting the amount of operating costs to the minimum necessary to provide essential services. The most significant differences in the final budget and actual occurred in the following areas:

MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED SEPTEMBER 30, 2021

GENERAL FUND BUDGETARY HIGHLIGHTS - CONTINUED:

Final Budget Compared to Actual Results - continued:

- General government other services and charges were \$273,656 less than estimated as a result of actual expenses for legal fees, liability insurance, election expenditures, and a variety of other expenses being less than budgeted.
- Public safety personnel services were \$648,490 less than budgeted as a result of turnover in the police and fire departments which resulted in vacancies throughout the year.
- Public services other services and charges were \$226,674 less than budgeted as a result of uncompleted drainage projects.
- Public services personnel was \$190,121 less than budgeted because of vacancies that were not filled.

**RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES,
AND CHANGES IN FUND BALANCES TO THE STATEMENT OF ACTIVITIES
GOVERNMENTAL FUNDS**

FOR THE YEAR ENDED SEPTEMBER 30, 2021

Net change in fund balances - total governmental funds		\$ (2,178,214)
Amounts reported for governmental activities in the Statement of Activities are different because:		
Governmental funds report capital outlays as expenditures. However, in the Statement of Activities, the cost of those assets is depreciated over their estimated useful lives:		
Expenditures for capital assets	11,006,973	
Less current year depreciation expense	<u>(6,542,158)</u>	4,464,815
The net effect of other transactions involving capital assets (i.e., sales, disposals, and donations) is to increase net position.		(88,915)
Revenues in the funds that provide current financial resources but have been included in the Statement of Activities in prior fiscal years.		2,475,830
The effect of bond premiums and discounts is reported in the fund financial statements when debt is issued but amortized in the Statement of Activities.		139,621
Bond and capital lease proceeds provide current financial resources to governmental funds; however, issuing debt increases long-term liabilities in the Statement of Net Position. In the current year proceeds were received from:		
Bond proceeds	(10,219,000)	
Capital lease obligations issued	<u>(345,950)</u>	(10,564,950)
Repayment of long-term debt is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the Statement of Net Position.		7,380,758
An internal service fund is used by management to charge the cost of health and dental insurance to individual funds. The net revenue (expense) is reported with governmental activities.		120,745
Certain expenses reported in the Statement of Activities do not require the use of current financial resources and therefore, are not reported as expenditures in the governmental funds:		
Change in accrued interest payable	(193,868)	
Change in compensated absences	(12,772)	
Changes in pension liabilities and related deferred inflows and outflows of resources	<u>923,423</u>	<u>716,783</u>
Change in net position of governmental activities		\$ <u>2,466,473</u>

NOTES TO FINANCIAL STATEMENTS

CITY OF RIDGELAND, MISSISSIPPI
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The City of Ridgeland, Mississippi (the City) was incorporated in 1899 and operates under a Mayor-Board of Aldermen form of government. The City is a primary government with no separate component units. The City is organized into the following divisions: general government, public safety (police and fire), court services, public services, health and welfare, and culture and recreation.

The financial statements of the City of Ridgeland have been prepared in conformity with generally accepted accounting principles (GAAP) as applicable to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The following is a summary of the more significant policies:

A. Financial Reporting Entity

Component Units

As required by accounting principles generally accepted in the United States of America, the financial statements of the reporting entity include those of the City of Ridgeland (the primary government) and any component units thereof. Component units must either be (1) a legally separate organization for which the elected officials of the primary government are financially accountable or (2) another organization for which the nature and significance of its relationship with the primary government is such that exclusion would cause the City of Ridgeland's financial statements to be misleading or incomplete. Based upon the application of these criteria, no potential component unit will be included as a part of the City.

Related Organizations

Related organizations are excluded from the financial reporting entity because the City's accountability does not extend beyond making appointments. Audited financial statements are available from the respective organizations. Related organizations are described as follows:

<u>Related Organization</u>	<u>Brief Description of Activities and Relationship to the City</u>
Ridgeland Tourism Commission	Promotes tourism for the City of Ridgeland. All members are appointed by the Board of Aldermen. The Commission reports independently.

B. Government-Wide and Fund Financial Statements

Basic financial statements consist of the following:

- Government-wide financial statements
- Fund financial statements
- Notes to the financial statements

CITY OF RIDGELAND, MISSISSIPPI
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED:

B. Government-Wide and Fund Financial Statements - continued:

The government-wide financial statements consist of the statement of net position and the statement of activities and report information on all of the nonfiduciary activities of the Primary Government. As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. All internal balances in the statement of net position have been eliminated with the exception of those representing balances between the governmental activities and the business-type activities, which are presented as internal balances and eliminated in the total government column.

Both of the government-wide financial statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the City include general government, public safety (police and fire), court services, public services, health and welfare, and culture and recreation. The business-type activities of the City include operation of the public utility system, east Madison County regional sewer system, and sanitation.

The statement of activities demonstrates the degree to which the direct and indirect expenses of a given function are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or activity. Indirect expenses are allocated based on the annual cost allocation plan. Program revenues include: 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or activity, and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate fund financial statements are provided for governmental funds and proprietary funds. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

C. Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary funds financial statements. Revenues are recorded when earned or, for property tax revenues, in the period in which levied. Expenses are recorded when a liability is incurred regardless of the timing and related cash flows.

Governmental funds financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period. The City, in general, considers revenues available

if they are collected within 60 days after year-end. Grants and similar items are recognized as revenue as soon as all eligibility requirements have been met. Expenditures are recorded when the related fund liability is incurred, except for unmatured interest on general long-term debt which is recognized when due, and certain compensated absences and claims and judgements which are recognized when payment is due.

The accounts of the City are organized on the basis of funds. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The minimum number of funds is maintained consistent with legal and managerial requirements.

The City reports the following major governmental funds:

The **General Fund** is the general operating fund of the City. General tax revenues and other receipts that are not allocated by law or contractual agreement to some other fund are accounted for in this fund. General operating expenses, fixed charges, and capital improvement costs not paid through other funds are paid from this fund.

The **Debt Service Fund** accounts for the accumulation of financial resources for the payment of principal and interest on the City's general obligation debt. The primary revenue source is local property taxes levied specifically for debt service.

The **City Center Fund** is a capital project fund that accounts for the financial resources to be used for the construction of the new City hall.

The **Colony Park TIF Bond Debt Fund** is a debt service fund that accounts for the accumulation of financial resources for the payment of principal and interest on the debt related to the Colony Park project.

The **Renaissance III TIF Bond Debt Fund** is a debt service fund that accounts for the accumulation of financial resources for the payment of principal and interest on the debt related to the Renaissance Phase III project. In the current year the fund included bond proceeds and expenses related to the Renaissance phase III project.

The **2019 \$19.96M Bond Issue Fund** is a capital project fund that accounts for the proceeds of the \$19,960,000 General Obligation Bonds Series 2019 to be used to fund various construction projects undertaken by the City.

The City reports the following major proprietary funds:

The **Public Utility Fund** accounts for the operating activities of the City's public utility services.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED:

C. Measurement Focus, Basis of Accounting and Financial Statement Presentation - continued:

The **East Madison County Regional Sewer Fund** accounts for the operating activities related to sewer services provided as a result of an interlocal cost-sharing agreement between the City of Ridgeland, Mississippi, the City of Madison, Mississippi and the Pearl River Valley Water Authority.

The **Sanitation Fund** accounts for the operating activities related to garbage and recycling services.

Additionally, the City reports the following fund types:

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes.

The **Insurance Trust Fund** is an internal service fund that accounts for the insurance transactions handled by the City for their self-insured employee health insurance program.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the proprietary funds of the City are charges to customers for sales and services. Operating expenses for the proprietary fund include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

D. Cash and Other Deposits and Cash Equivalents

The City deposits excess funds in the financial institutions selected by the Mayor and Board of Aldermen in accordance with state statutes.

Cash consists of amounts on deposit with a financial institution in interest bearing demand accounts and petty cash. Other deposits consist of non-interest-bearing accounts. Cash and other deposits are valued at cost.

Various restrictions on deposits are imposed by state statutes. The collateral for public entities' deposits in financial institutions is held in the name of the State Treasurer under a program established by the Mississippi State Legislature and is governed by section 27-105-5, Miss. Code Ann. (1972). Under this program, the entity's funds are protected through a collateral pool administered by the State Treasurer.

For purposes of the combined statement of cash flows, the municipality considers all highly liquid investments and certificates of deposit with maturities of three months or less when acquired to be cash equivalents.

CITY OF RIDGELAND, MISSISSIPPI
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED:

E. Investments

The City is allowed, by statute, to invest excess funds in any bonds or other direct obligations of the United States of America or the State of Mississippi, or of any county or municipality of this state, when such county or municipal bonds have been properly approved; or in interest-bearing time deposits with any financial institution approved for the deposit of state funds. Investments are reported at fair value. Investment earnings are reported in the fund reporting the investment and consist of interest and dividends received and the change in fair value of investments.

F. Receivables

Receivables, net of estimated uncollectible amounts, are reported in the governmental and proprietary financial statements for goods and services, taxes, loans, grants, and interest. The estimated uncollectible amounts by fund are reported in Note 3.

G. Inventories

Inventories of materials and supplies in the proprietary funds are stated at cost, calculated on the first-in, first-out basis.

H. Prepaid Items

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items using the consumption method in both government-wide and fund financial statements.

I. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of net position and balance sheet report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net assets or fund balance that applies to a future period(s) and will not be recognized as an outflow of resources (expense) until then.

In addition to liabilities, the statement of net position and balance sheet report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net assets or fund balance that applies to future periods and will not be recognized as an inflow of resources (revenue) until then.

J. Budgets and Budgetary Accounting

The budget is adopted annually by the Mayor and the Board of Aldermen, and subsequent amendments are made during the year on the approval of the Mayor and Board or, when allowed, upon authority of the City Clerk, as described in the following paragraphs.

CITY OF RIDGELAND, MISSISSIPPI
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED:

J. Budgets and Budgetary Accounting - continued:

The governmental fund and proprietary fund types are budgeted in accordance with the laws of the State of Mississippi which require that municipalities budget on a modified-cash basis. Claims that have been incurred prior to the end of the year and that are paid within 30 days are recorded under the accrual basis. Prior year claims that are paid after 30 days revert to the cash basis. All revenue is accounted for under the cash basis. The required budgetary basis is therefore not considered to be in accordance with generally accepted accounting principles. Governmental accounting requires that the "Budget to Actual" statement be prepared according to budgetary laws and the "Combined Statement of Revenues, Expenditures, and Fund Balance" be prepared according to the modified accrual basis (GAAP).

The legal level of control, that is the level on which actual expenditures may not legally exceed appropriations, is the major expenditure classifications within departments. Such classifications are Personnel Services, Supplies, Other Services and Charges, and Capital Outlay.

All amendments to the budget at the legal level of control must be approved by the City's Mayor and Board of Aldermen. The City Clerk is allowed to reclassify, without governing body approval, any budget "line items"; that is, amounts below the legal level of control.

The expenditure budget adopted and approved by the duly elected members of the governing authority of the City of Ridgeland is the appropriation ordinance of said municipality.

As allowed by statute, the expenditure budget was amended and approved by the duly elected members of the governing authority of the City of Ridgeland. Such amendments are included in the reported budgetary data.

K. Capital Assets

In the governmental funds, the cost incurred for the purchase or construction of capital assets are recorded as capital outlay expenditures.

Capital assets are reported at actual or estimated historical cost based on appraisals or deflated current replacement cost. Donated capital assets are reported at fair value at the date of acquisition.

Maintenance, repairs, and minor equipment are charged to operations when incurred. Expenses that materially change capacities or extend useful lives are capitalized. Upon sale or retirement of land, buildings, and equipment, the cost and related accumulated depreciation, if applicable, are eliminated from the respective amounts and any resulting gain or loss is included in the statement of activities.

All proprietary funds are accounted for on an economic measurement focus. This means that all assets and liabilities (whether current or noncurrent) associated with their activity are included on

their Statement of Net Position. Their fund equity is reported in the total net position of the Statement of Revenues, Expenses, and Changes in Net Position. The capital assets threshold for the proprietary funds is the same as it is for governmental funds which is described in detail below.

In accordance with authoritative guidance, governmental infrastructure has been capitalized. Capitalization thresholds (dollar value above which assets acquisitions are added to the capital asset account) and estimated useful lives of capital assets are reported in the government-wide statements and proprietary funds. Depreciation is calculated on the straight-line basis for all assets except land and construction in progress. The following schedule details those thresholds.

Capital assets thresholds are as follows:

Land	\$	N/A
Infrastructure		N/A
Furniture, vehicles and equipment		1,000
Improvements other than buildings		25,000
Buildings		50,000
Leased assets under capital leases		*

Estimated useful lives and salvage values for depreciable assets are as follows:

	Useful Life	Salvage Value
Computer equipment and peripherals	3 years	1%
Vehicles and equipment	5 years	10%
Heavy equipment (backhoes, dozers, front-end loaders, tractors, etc.)	10 years	10%
Furniture and fixtures	7 years	10%
Improvements other than buildings	20 years	20%
Buildings	40 years	20%
Infrastructure:		
Roads	20 years	20%
Concrete bridges	50 years	20%
Timber bridges	30 years	20%
Leased assets under capital leases	*	*

*The threshold amount will correspond with the amounts for the applicable asset classifications as listed.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED:

L. Unearned Revenue and Deferred Inflows of Resources

Unearned revenue is a liability that arises when resources are obtained before revenue recognition criteria, other than time recognition criteria, have been satisfied. Resources that are obtained before time recognition criteria have been satisfied are considered as deferred inflows of resources.

M. Compensated Absences

Upon termination of employment, the City of Ridgeland provides payment of accrued personal leave to the departing employee. While such leave is accumulated from 5 to 20 days each year, depending on length of service, no payment for medical leave is allowed absent the required evidence of such need.

Unpaid personal leave expected to be paid from the Governmental Funds is reported under Long-term Debt as "Compensated Absences" in the government-wide statements. Similar amounts related to the proprietary funds are accrued in the enterprise funds. Typically, the related "Compensated Absences Expense" has been paid from the General Fund and the Public Utility Fund.

The respective liabilities are computed utilizing the specific identification method (i.e., each employee's actual accumulated personal leave days are multiplied by the applicable actual per day salary). The City's liability for compensated absences is not recorded in the governmental funds, for such liability may be paid from financial resources not currently available. Compensated absences are reported in governmental funds only if they have matured.

N. Encumbrances

An encumbrance system is maintained to account for commitments resulting from approved purchase orders, work orders and contracts. All encumbrances lapse at year-end; accordingly, no encumbrances were outstanding at September 30, 2021.

O. Net Position and Fund Balances

Net position in government-wide and proprietary fund financial statements utilize a net position presentation. Net position is categorized as follows:

Net investment in capital assets - This component of net position consists of capital assets, net of accumulated depreciation and is reduced by any debt outstanding against the acquisition, construction or improvement of those assets. Deferred outflows of resources and deferred inflows of resources that are attributable to the acquisition, construction, or improvement of those assets or related debt is included in this component of net position.

CITY OF RIDGELAND, MISSISSIPPI
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED:

O. Net Position and Fund Balances - continued:

Restricted net position - This component of net position consists of restricted assets plus deferred outflows of resources reduced by liabilities and deferred inflows of resources related to those assets.

Unrestricted net position - This component of net position is the net amount of the assets, deferred outflows of resources, liabilities, and deferred inflows of resources that are not included in the determination of the net investment in capital assets or restricted net position.

In the fund financial statements, fund balances for governmental funds are reported in classifications that comprise a hierarchy based primarily on the extent to which the City is bound to honor constraints on the specific purpose for which amounts in those funds can be spent. Fund balances are composed of two major types which are nonspendable and spendable. Nonspendable fund balances are balances that cannot be spent because they are not expected to be converted to cash or they are legally or contractually required to remain intact. Examples of this classification are prepaid items, inventories, and principal (corpus) of an endowment fund.

In addition to the nonspendable fund balance, spendable fund balance is composed of four classifications designed to disclose the hierarchy of spending constraints.

- Restricted: fund balances that are constrained by external parties, constitutional provisions, or enabling legislation.
- Committed: fund balances that contain self-imposed constraints of the government from its highest level of decision making authority.
- Assigned: fund balances that contain self-imposed constraints of the government to be used for a particular purpose, the board of aldermen can assign fund balances.
- Unassigned: fund balance that is not constrained for any particular purpose. General Fund is the only fund that reports a positive unassigned fund balance amount. In other governmental funds it is not appropriate to report a positive unassigned fund balance; however, in governmental funds other than general, if expenditures incurred for a specific purpose exceed the amount in restricted, committed or assigned, it may be necessary to report a negative unassigned balance in the fund.

When an expenditure is incurred for purposes for which both restricted and unrestricted (committed, assigned, or unassigned) resources are available, it is the City's general policy to use restricted resources first. When expenditures are incurred for purposes for which unrestricted (committed, assigned, and unassigned) resources are available, and amounts in any of these unrestricted classifications could be used, it is the City's general policy to spend committed resources first, followed by assigned amounts, and then unassigned amounts.

CITY OF RIDGELAND, MISSISSIPPI
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED:

O. Net Position and Fund Balances - continued:

It is the goal of the City to achieve and maintain a fund balance in the general fund at fiscal year-end of not less than 45% of the expenditures in the current year's General Fund. If the fund balance at fiscal year-end falls below the goal, the City shall develop a restoration plan to achieve and maintain the minimum fund balance.

P. Restricted Assets

Certain proceeds of the City's bonds, as well as certain resources set aside for their repayment, are classified as restricted on the Statement of Net Position because their use is limited by applicable debt covenants. Additionally, customer utility deposits that are set aside for repayment are classified as restricted. When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, and then unrestricted resources as they are needed.

Q. Capitalization of Interest

The City capitalizes interest costs for business-type activities only, net of related interest earned, from the date of the borrowing until the projects acquired with those funds are ready for their intended use.

R. Pensions

For the purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Public Employees' Retirement System (PERS) and additions to/deductions from PERS' fiduciary net position have been determined on the same basis as they are reported by PERS. For this purpose, the benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

S. Long-Term Liabilities

In the government-wide financial statements and proprietary fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type Statement of Net Position. Initial-issue bond premiums and discounts are deferred and amortized over the life of the bonds using the straight-line method. The difference between the reacquisition price of refunding bonds and the net carrying amount of refunded debt (deferred amount on refunding) is amortized over the shorter of the lives of the refunding debt or remaining life of the refunded debt. The unamortized portion of the deferred amount on refunding is recorded as either a deferred outflow of resources or deferred inflow of resources. Bonds payable are reported net

of the unamortized portion of applicable premium or discount. Bond issuance costs are expensed during the current period. Amortization of bond premiums, discounts, and deferred amounts on refunding are included in interest expense.

T. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Deposits

The collateral for public entities' deposits in financial institutions is held in the name of the State Treasurer under a program established by the Mississippi State Legislature and is governed by Section 27-105-5, Miss. Code Ann. (1972). Under this program, the City's funds are protected through a collateral pool administered by the State Treasurer. Financial institutions holding deposits of public funds must pledge securities as collateral against those deposits. In the event of failure of a financial institution, securities pledged by that institution would be liquidated by the State Treasurer to replace the public deposits not covered by the Federal Deposit Insurance Corporation. Deposits at September 30, 2021, are summarized as follows:

	<u>Reported Amount</u>	<u>Bank Balance</u>
Cash	\$ 22,771,416	<u>23,208,887</u>
Total deposits	\$ <u>22,771,416</u>	<u>23,208,887</u>

The difference of \$437,471 was principally due to outstanding checks. Of the bank balance, \$1,250,000 was covered by Federal Depository Insurance.

Custodial Credit Risk - Deposits - Custodial risk is defined as the risk that, in the event of a financial institution's failure, the City's deposits may not be returned to it. As of September 30, 2021, \$21,958,887 of the City's bank balance of \$23,208,887 was exposed to custodial credit risk as follows:

Collateralized by the State Public Funds Guaranty Pool	\$ <u>21,958,887</u>
Total	\$ <u>21,958,887</u>

Investments

The City is allowed, by statute, to invest excess funds in any bonds or other direct obligations of the United States of America or the State of Mississippi, or of any county or municipality of this state, when such county or municipal bonds have been properly approved; or in interest-bearing time deposits with any financial institution approved for the deposit of state funds. Investments are reported at fair value.

Interest Rate Risk. Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. Investments held for longer periods are subject to increased risk of adverse interest rate changes. The City's investment policy is limited to complying with the

CITY OF RIDGELAND, MISSISSIPPI
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 2 - CASH AND INVESTMENTS - CONTINUED:

Investments - continued:

Credit Risk. The City is allowed, by State Statute, to invest excess funds in any bonds or other direct obligations of the United States of America, of the State of Mississippi, or of any county or municipality of Mississippi, when such county or municipal bonds have been properly approved; or in obligations issued or guaranteed in full as to principal and interest by the United States of America which are subject to a repurchase agreement with a qualified depository; or in interest-bearing time certificates of deposit with any financial institution approved for the deposit of state funds.

Custodial Credit Risk - Investments. Custodial credit risk is defined as the risk that, in the event of failure of the counter party to a transaction, the City will not be able to recover the value of its investments that are held by an outside party. The City does not have a formal investment policy that addresses custodial credit risk. As of September 30, 2021, all investments were held by a third-party custodian counterparty and all investments which were held by the counterparty's trust department or agent are registered in the City's name.

The City categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements); followed by quoted prices in inactive markets or for similar assets or with observable inputs (Level 2 measurements); and the lower priority to unobservable inputs (Level 3 measurements). At September 30, 2021, the City had an unrealized loss of \$83,978, which reflects changes in the fair market value of investments. The City's level 2 investments are valued using pricing models maximizing the use of observable inputs for similar securities.

The City has the following recurring fair value measurements as of September 30, 2021:

- US Treasury Bills and Agency Securities of \$6,774,096 are valued using quoted market prices (Level 1 inputs).
- Mortgage Backed Securities of \$6,866,669 are valued based on price data obtained from observed transactions and market price quotations from brokers/dealers and/or pricing (Level 2 inputs).
- Municipal Obligations of \$3,776,455 are valued based on price data obtained from observed transactions and market price quotations from brokers/dealers and/or pricing (Level 2 inputs).
- Asset backed securities of \$842,407 are valued based on price data obtained from observed transactions and market price quotations from brokers/dealers and/or pricing (Level 2 inputs).
- Collateralized Mortgage Obligations of \$3,781,181 are valued based on price data obtained from observed transactions and market price quotations from brokers/dealers and/or pricing (Level 2 inputs).

NOTE 5 - PROPERTY TAXES

Property taxes for fiscal year 2021 were levied in September 2020 on the assessed valuation of property located in the City of Ridgeland, Mississippi as of the preceding January 1, the lien date. Receivables from property taxes are recorded at the date the taxes are levied. Revenues from property taxes are recognized in the fiscal year for which property taxes are levied. The financial statements reflect the accrual of the estimated fiscal year 2022 property taxes levied in September 2021. The City has recorded deferred inflows for these taxes, which will be recognized during the year ended September 30, 2022.

The City levies property taxes annually based upon assessed valuations. Real, personal property, public utility, automobile ad valorem taxes, and certain road taxes are collected by the tax collector of Madison County and are disbursed to the City accordingly. Current collection of real, public utility, and personal property taxes for the year ended September 30, 2021, were approximately 99% of the total tax levy.

NOTE 9 - DEFINED BENEFIT PENSION PLAN

General Information about the Pension Plan

Plan Description. The City contributes to the Public Employees' Retirement System of Mississippi (PERS), a cost-sharing multiple-employer defined benefit pension plan. PERS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Benefit provisions are established by State law and may be amended only by the State of Mississippi Legislature. PERS issues a publicly available financial report that includes financial statements and required supplementary information. That information may be obtained by writing to Public Employees' Retirement System, PERS Building, 429 Mississippi Street, Jackson, MS 39201-1005, by calling (601) 359-3589 or 1-800-444-PERS, or by visiting online at www.pers.ms.gov.

Benefits Provided. Membership in PERS is a condition of employment granted upon hiring for qualifying employees and officials of the State of Mississippi (the State), state universities, community and junior colleges, and teachers and employees of the public school districts. For those persons employed by political subdivisions and instrumentalities of the State, membership is contingent upon approval of the entity's participation in PERS by the PERS Board of Trustees. If approved, membership for the entity's employees is a condition of employment and eligibility is granted to those who qualify upon hiring. Members and employers are statutorily required to contribute certain percentages of salaries and wages as specified by the Board of Trustees. A member who terminates employment from all covered employers and who is not eligible to receive monthly retirement benefits may request a full refund of his or her accumulated member contributions plus interest. Upon withdrawal of contributions, a member forfeits service credit represented by those contributions. Participating members who are vested and retire at or after age 60 or those who retire regardless of age with at least 30 years of creditable service (25 years of creditable service for employees who became members of PERS before July 1, 2011) are entitled, upon application, to an annual retirement allowance payable monthly for life in an amount equal to 2.0 percent of their average compensation for each year of creditable service up to and including 30 years (25 years for those who became members of PERS before July 1, 2011), plus 2.5 percent for each additional year

of creditable service with an actuarial reduction in the benefit for each year of creditable service below 30 years or the number of years in age that the member is below 65, whichever is less. Average compensation is the average of the employee's earnings during the four highest-compensated years of creditable service. A member may elect a reduced retirement allowance payable for life with the provision that, after death, a beneficiary receives benefits for life or for a specified number of years. Benefits vest upon completion of eight years of membership service (four years of membership service for those who became members of PERS before July 1, 2007). PERS also provides certain death and disability benefits. In the event of death prior to retirement of any member whose spouse and/or children are not entitled to a retirement allowance, the deceased member's accumulated contributions and interest are paid to the designated beneficiary. A Cost-of-Living Adjustment (COLA) payment is made to eligible retirees and beneficiaries. The COLA is equal to 3.0 percent of the annual retirement allowance for each full fiscal year of retirement up to the year in which the retired member reaches age 60 (55 for those who became members of PERS before July 1, 2011), with 3.0 percent compounded for each fiscal year thereafter.

The City's total payroll for all employees was \$11,580,995 and the total covered payroll was \$11,523,069 for the year ended September 30, 2021. Covered payroll refers to all compensation paid by the City to active employees covered by the Plan.

Contributions: PERS members are required to contribute 9.00% of their annual covered salary and the City is required to contribute at an actuarially determined rate. The City's required contribution rate increased effective July 1, 2019 from 15.75% to 17.40% of annual covered payroll. The contribution requirements of PERS members are established and may be amended only by the State of Mississippi Legislature. The City's contributions to PERS for the fiscal years ended September 30, 2021, 2020, and 2019 were \$2,006,973, \$2,024,344, and \$1,873,614, respectively. The contributions for each year met the required contributions and were paid out of General Fund, Public Utility Fund, and East Madison County Regional Sewer Fund based on each fund's proportionate share of covered payroll.

Pension Liabilities, Pension Expense, Deferred Outflows of Resources, and Deferred Inflows of Resources Related to Pensions

At September 30, 2021, the City reported a liability of \$25,747,520 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of June 30, 2020. The City's proportion of the net pension liability was based on a projection of the City's long-term share of contributions to the pension plan relative to the projected contributions of all participating entities, actuarially determined. At June 30, 2021, the City's proportion was 0.1742 percent, which was a decrease of .0005 percent from its proportion measured as of June 30, 2020.

Actuarial Assumptions. The total pension liability in the June 30, 2021 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.75 percent
Salary increases	3.00 - 18.25 percent, including inflation
Investment rate of return	7.55 percent, net of pension plan investment expense, including inflation

Mortality rates were based on the PubS.H-2010(B) Retiree Table with the following adjustments: for males, 112% of male rates from ages 18 to 75 scaled down to 105% for ages 80 to 119; for females, 85% of the female rates from ages 18 to 65 scaled up to 102% for ages 75 to 119. Mortality rates will be projected generationally using the MP-2018 projection scale to account for future improvements in life expectancy.

The long-term expected rate of return on pension plan investments was determined using a log-normal distribution analysis in which best-estimate ranges of expected future real rates of return (expected nominal returns, net of pension plan investment expense and the assumed rate of inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target asset allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
Domestic Equity	\$ 27 %	4.60 %
International Equity	22 %	4.50 %
Global Equity	12 %	4.80 %
Debt Securities	20 %	(0.25) %
Real Estate	10 %	3.75 %
Private Equity	8 %	6.00 %
Cash	1 %	(1.00) %

Discount Rate. The discount rate used to measure the total pension liability was 7.55 percent. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate (9.00%) and that employer contributions will be made at the current contribution rate (17.40%). Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the City's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate. The following table presents the City's proportionate share of the net pension liability of PERS based on the June 30, 2021, actuarial valuations, calculated using the discount rate of 7.55 percent, as well as what the City's proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (6.55 percent) or one percentage point higher (8.55 percent) than the current rate:

	City's Proportionate Share of Net <u>Pension Liability</u>
1.00% decrease (6.55%)	\$ 43,650,404
Current discount rate (7.55%)	25,747,520
1.00% increase (8.55%)	25,529,078

NOTE 10 - CONTINGENT LIABILITIES

Grant Audits

The City receives Federal and state grants for specific purposes that are subject to review and audit by Federal and state agencies. Such audits could result in a request for reimbursements for expenditures disallowed under the terms and conditions of the appropriate agency. In the opinion of City management, such disallowances, if any, will not be significant.

CITY OF RIDGELAND, MISSISSIPPI
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2021

NOTE 10 - CONTINGENT LIABILITIES - CONTINUED:

Litigation

In prior years, the City has been party to numerous legal proceedings, which occur in the normal course of governmental operations. Several suits were filed against the City as a result of the City amending its Zoning Ordinance in 2014. During the current year all litigation surrounding the amendment to the Zoning Ordinance and all other matters have been dismissed with prejudice. Management is not aware of any outstanding litigation that could have a material adverse effect on the net position of the City.

NOTE 11 - RISK MANAGEMENT

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The City participates in State insurance funds for risks of loss for all liability and workers' compensation insurance. Settled claims resulting from these insured risks have not exceeded State insurance coverage in any of the past three fiscal years.

The City has joined with other municipalities to pool its risk as a member of the Mississippi Public Entity Workers' Compensation Trust, a public entity risk pool. The City pays premiums to the pool for its worker's compensation insurance coverage, and the participation agreement provides that the pool will be self-sustaining through member premiums. The retention for the pool is \$500,000 for employees for each accident and completely covers statutory limits set by the Workers' Compensation Commission. Risk of loss is remote for claims exceeding the pool's retention liability.

However, the pool also has catastrophic reinsurance coverage for statutory limits above the pool's retention, provided by Safety National Casualty Corporation. The pool may make an overall supplemental assessment or declare a refund depending on the loss experience of all the entities it insures. A report can be obtained by accessing the following website: <http://www.mwcc.state.ms.us/> or by writing to the Mississippi Workers' Compensation Commission at P.O. Box 5300, Jackson, Mississippi 39296-5300.

NOTE 12 - HEALTH INSURANCE PLAN

The City has established a Risk Pool Agreement authorized by Section 25-15-101 of the Mississippi Code to be self-insured for its employee group health plan. The City contributes \$471 per month per employee to the plan to cover each employee and each employee, at their option, authorizes payroll withholdings to pay contributions for dependent coverage. The City's monthly premiums to cover all employees have been expensed in the General Fund, Public Utility Enterprise Fund, and the East Madison County Regional Sewer Fund in the same manner as the employees' salaries.

The City has contracted with a third party administrator to act on behalf of the City in the administration of the plan. The administrator is to perform enrollment and underwriting functions and to audit, process,

and pay all medical expense claims of the plan. Provisions for administrative fees and stop loss premiums are included in the contractual provisions. The administrative contract can be terminated upon thirty days of written notice.

The City of Ridgeland became self-insured in February 2003. Blue Cross Blue Shield of Mississippi is the third party administrator and their mailing address is P.O. Box 1043, Jackson, Mississippi 39215. Under this plan, the employee benefit plan payments to be covered are medical and prescription drug card. The aggregate percentage reimbursable (excess of aggregate deductible) is 100%. For the purpose of the aggregate excess insurance, the maximum allowable covered expense per person is \$65,000 for the contract period. No active service is required and retirees are not covered. In addition, the policy will reimburse the City if total losses for the policy year exceed \$1,151,787, the annual aggregate attachment point (AAAP). The AAAP is an amount equal to the product of an aggregate monthly factor times the number of covered individuals.

For fiscal year ended September 30, 2021, the City was reimbursed \$129,445 for losses in excess of \$65,000 per individual. The AAAP was not exceeded for the fiscal year. The liability reported at September 30, 2021, is based on the requirements that a liability for claims be reported if information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements and the amount of the loss can be reasonably estimated. These liabilities include an amount for claims that have been incurred but not reported. Because actual claims liabilities depend on numerous complex factors, the process used in computing the claims liability does not necessarily result in an exact amount. Claims liabilities are re-evaluated periodically to take into consideration recently settled claims, the frequency of claims, and other economic and social factors. Changes in the claims liability during fiscal years 2019 through 2021 were as follows:

	Balance at Beginning of Fiscal Year	Current Year Claims and Changes in Estimates	Claims Payments	Balance at End of Fiscal Year
2018-2019	\$ 207,371	1,541,367	1,684,252	64,486
2019-2020	64,486	1,412,390	1,384,322	92,554
2020-2021	92,554	1,354,656	1,371,607	75,603

Greater consistency and comparability enhance the value provided by the information reported in financial statements for assessing government accountability and stewardship. The requirements of this standard had no impact on the City's financial statements.

GASB Statement No. 90, *Majority Equity Interests as an amendment of GASB Statements No. 14 and No. 61*, issued August 2018, improves the consistency and comparability of reporting a government's majority equity interest in a legally separate organization and also improves the relevance of the financial statement information for certain component units. The requirements of this Statement are effective for periods beginning after December 15, 2019. The requirements of this standard had no impact on the City's financial statements.

GASB Statement No. 97, *Certain Component Unit Criteria, and Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans - an amendment of GASB Statements No. 14 and No. 84, and a supersession of GASB Statement No. 32*, issued June 2020, (1) increases consistency and comparability related to the reporting of fiduciary component units in circumstances in which a potential component unit does not have a governing board and the primary government performs the duties that a governing board typically would perform; (2) mitigates costs associated with the reporting of certain defined contribution pension plans, defined contribution other postemployment benefit (OPEB) plans, and employee benefit plans other than pension plans or OPEB plans (other employee benefit plans) as fiduciary component units in fiduciary fund financial statements; and (3) enhance the relevance, consistency, and comparability of the accounting and financial reporting for Internal Revenue Code (IRC) Section 457 deferred compensation plans (Section 457 plans) that meet the definition of a pension plan and for benefits provided through those plans. The requirements in (1) paragraph 4 of this Statement as it applies to defined contribution pension plans, defined contribution OPEB plans, and other employee benefit plans and (2) paragraph 5 of this Statement are effective immediately. All other requirements of this statement are effective for reporting periods beginning after June 15, 2021. The effects of paragraphs 4 and 5 of this statement do not have a material impact on the City's financial statements. Management is currently evaluating the impact of the adoption of the other requirements of this Statement on the City's financial statements.

Recently Issued Accounting Pronouncements

GASB Statement No. 87, *Leases*, issued June 2017, will increase the usefulness of governments' financial statements by requiring reporting of certain lease liabilities that currently are not reported. It will enhance comparability of financial statements among governments by requiring lessees and lessors to report leases under a single model. This Statement also will enhance the decision-usefulness of the information provided to financial statement users by requiring notes to financial statements related to the timing, significance, and purpose of a government's leasing arrangements.

NOTE 15 - NEW ACCOUNTING PRONOUNCEMENTS - CONTINUED:

Recently Issued Accounting Pronouncements - continued:

The requirements of this Statement are effective for reporting periods beginning after June 15, 2021. Management is currently evaluating the impact of the adoption of this Statement on the City's financial statements.

GASB Statement No. 89, *Accounting for Interest Cost Incurred before the End of a Construction Period*, issued June 2018, enhances the relevance and comparability of information about capital assets and the cost of borrowing for a reporting period and simplifies accounting for interest cost incurred before the end of a construction period. The requirements of this Statement are effective for periods beginning after December 15, 2020. Management is currently evaluating the impact of the adoption of this Statement on the City's financial statements.

GASB Statement No. 91, *Conduit Debt Obligations*, issued May 2019, provides a single method of reporting conduit debt obligations by issuers and eliminates diversity in practice associated with (1) commitments extended by issuers, (2) arrangements associated with conduit debt obligations, and (3) related note disclosures. The requirements of this Statement are effective for periods beginning after December 15, 2021. This accounting pronouncement is not expected to impact the City's financial statements.

GASB Statement No. 92, *Omnibus 2020*, issued January 2020, enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing practice issues that have been identified during implementation and application of certain GASB Statements. The requirements related to the effective date of Statement 87 and Implementation Guide 2019-3, reinsurance recoveries, and terminology used to refer to derivative instruments are effective upon issuance. All other requirements of this statement are effective for reporting periods beginning after June 15, 2021. Management is currently evaluating the impact of the adoption of this Statement on the City's financial statements.

GASB Statement No. 93, *Replacement of Interbank Offered Rates*, issued March 2020, some governments have entered into agreements in which variable payments made or received depend on an interbank offered rate (IBOR) - most notably, the London Interbank Offered Rate (LIBOR). As a result of global reference rate reform, LIBOR is expected to cease to exist in its current form at the end of 2021, prompting governments to amend or replace financial instruments for the purpose of replacing LIBOR with other reference rates, by either changing the reference rate or adding or changing fallback provisions related to the reference rate. The requirements of this Statement are effective for periods beginning after June 15, 2021. Management is currently evaluating the impact of the adoption of this Statement on the City's financial statements.

GASB Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*, issued March 2020, with the primary objective to improve financial reporting by addressing issues related to public-private and public-public partnership arrangements (PPPs). As used in this Statement, a PPP is an arrangement in which a

government (the transferor) contracts with an operator (a governmental or nongovernmental entity) to provide public services by conveying control of the right to operate or use a nonfinancial asset, such as infrastructure or other capital asset (the underlying PPP asset), for a period of time in an exchange or exchange-like transaction. Some PPPs meet the definition of a service concession arrangement (SCA), which the Board defines in this Statement as a PPP in which (1) the operator collects and is compensated by fees from third parties; (2) the transferor determines or has the ability to modify or approve which services the operator is required to provide, to whom the operator is required to provide the services, and the prices or rates that can be charged for the services; and (3) the transferor is entitled to significant residual interest in the service utility of the underlying PPP asset at the end of the arrangement. The requirements of this Statement are effective for periods beginning after June 15, 2022. Management is currently evaluating the impact of the adoption of this Statement on the City's financial statements.

GASB Statement No. 96, *Subscription-Based Information Technology Arrangements*, issued May 2020, this Statement provides guidance on the accounting and financial reporting for subscription-based information technology arrangements (SBITAs) for government end users (governments). This Statement (1) defines a SBITA; (2) establishes that a SBITA results in a right-to-use subscription asset - an intangible asset - and a corresponding subscription liability; (3) provides the capitalization criteria for outlays other than subscription payments, including implementation costs of a SBITA; and (4) requires note disclosures regarding a SBITA. To the extent relevant, the standards for SBITAs are based on the standards established in Statement No. 87, *Leases*, as amended. The requirements of this Statement are effective for periods beginning after June 15, 2022. Management is currently evaluating the impact of the adoption of this Statement on the City's financial statements.

GASB Statement No. 97, *Certain Component Unit Criteria, and Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans* - an amendment of GASB Statements No. 14 and No. 84, and a supersession of GASB Statement No. 32, issued June 2020, (1) increases consistency and comparability related to the reporting of fiduciary component units in circumstances in which a potential component unit does not have a governing board and the primary government performs the duties that a governing board typically would perform; (2) mitigates costs associated with the reporting of certain defined contribution pension plans, defined contribution other postemployment benefit (OPEB) plans, and employee benefit plans other than pension plans or OPEB plans (other employee benefit plans) as fiduciary component units in fiduciary fund financial statements; and (3) enhance the relevance, consistency, and comparability of the accounting and financial reporting for Internal Revenue Code (IRC) Section 457 deferred compensation plans (Section 457 plans) that meet the definition of a pension plan and for benefits provided through those plans. NOTES TO REQUIRED SUPPLEMENTAL INFORMATION SCHEDULES SEPTEMBER 30, 2021

Budgetary Comparison Schedules

NOTE A - BASIS OF PRESENTATION

The City's governmental fund types are budgeted in accordance with the laws of the State of Mississippi which require that municipalities budget on a modified-cash basis. Claims that have been incurred prior to the end of the year and that are paid within 30 days are recorded under the accrual basis. Prior year claims that are paid after 30 days revert to the cash basis. All revenue is accounted for under the cash basis. Capital project funds, however, are budgeted per project and do not lapse at year end. The required budgetary basis is therefore not considered to be in accordance with generally accepted accounting principles. Governmental accounting requires that the "Budget to Actual" statement be prepared according to budgetary laws.

Pension Schedules

NOTE A - METHOD AND ASSUMPTIONS USED IN CALCULATIONS OF ACTUARIALLY DETERMINED CONTRIBUTIONS

The actuarially determined contribution rates in the schedule of employer contributions are calculated as of June 30, two years prior to the end of the fiscal year in which contributions are reported (June 30, 2019 valuation for the September 30, 2021 fiscal year end). The following actuarial methods and assumptions were used to determine the most recent contribution rate reported in that schedule:

Actuarial cost method	Entry age
Amortization method	Level percentage of payroll, open
Remaining amortization period	28.8 years
Asset valuation method	5-year smoothed market
Price inflation	2.75 percent
Salary increase	3.00 percent to 18.50 percent, including inflation
Investment rate of return	7.55 percent, net of pension plan investment expense, including inflation

NOTE B - CHANGES IN BENEFIT PROVISIONS

None.

NOTE C - CHANGES OF ASSUMPTIONS

The investment rate of return decreased from 7.75% to 7.55%, the remaining amortization period decreased from 38.4 to 28.8 years, price inflation decreased 3.00% to 2.75%, along with salary decrease of 3.25 percent to 18.50 percent to 3.00 percent to 18.50 percent for the year ended June 30, 2021.

(1) Sales tax is not an "own-source revenue" of the City. Sales taxes are levied by the State of Mississippi at a rate of 7 percent. The State of Mississippi levies and collects all sales taxes in the state and remits 18.5 percent of the 7 percent levied to each municipality based on their portion of sales taxes generated from sales within the municipality. Principal payer information is not currently made available to the City of Ridgeland.

SINGLE AUDIT SECTION

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Honorable Mayor and Board of Aldermen
City of Ridgeland, Mississippi

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, business-type activities, each major fund, and the aggregate remaining fund information of the City of Ridgeland, Mississippi, as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the City of Ridgeland, Mississippi's basic financial statements, and have issued our report thereon dated March 30, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City of Ridgeland, Mississippi's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City of Ridgeland, Mississippi's internal control. Accordingly, we do not express an opinion on the effectiveness of the City of Ridgeland, Mississippi's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses, or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City of Ridgeland, Mississippi's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR
PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Honorable Mayor and Board of Aldermen
City of Ridgeland, Mississippi

Report on Compliance for Each Major Federal Program

We have audited the City of Ridgeland, Mississippi's compliance with the type of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on the City of Ridgeland, Mississippi's major federal program for the year ended September 30, 2021. The City of Ridgeland, Mississippi's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on the compliance for each of the City of Ridgeland, Mississippi's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City of Ridgeland, Mississippi's compliance with those requirements and performing such other procedures as we consider necessary in the circumstances.

Auditor's Responsibility - continued

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the City of Ridgeland, Mississippi's compliance.

Opinion on Each Major Federal Program

In our opinion, the City of Ridgeland, Mississippi, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended September 30, 2021.

Reports on Internal Control over Compliance

Management of the City of Ridgeland, Mississippi, is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City of Ridgeland, Mississippi's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purposes of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City of Ridgeland, Mississippi's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
FOR THE YEAR ENDED SEPTEMBER 30, 2021**

NOTE A - BASIS OF PRESENTATION

The accompanying schedule of expenditures of Federal awards (the Schedule) includes the Federal award activity of the City of Ridgeland, Mississippi, under programs of the Federal government for the year ended September 30, 2021. The information in this Schedule is presented in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the City of Ridgeland, Mississippi, it is not intended to and does not present the financial position, changes in net positions, or cash flows of the City of Ridgeland, Mississippi.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- (1) Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.
- (2) Pass-through entity identifying numbers are presented where available.

NOTE C - INDIRECT COST RATE

The City of Ridgeland, Mississippi, has elected not to use the 10% de minimus indirect cost rate as allowed under the Uniform Guidance.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE
WITH STATE LAWS AND REGULATIONS

To the Honorable Mayor and Board of Aldermen
City of Ridgeland, Mississippi

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Ridgeland, Mississippi, as of and for the year ended September 30, 2021, which collectively comprise the City of Ridgeland, Mississippi's basic financial statements and have issued our report thereon dated March 30, 2022. We have conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

As required by the state legal compliance audit program prescribed by the Mississippi Office of the State Auditor, we have also performed procedures to test compliance with certain state laws and regulations. However, providing an opinion on compliance with state laws and regulations was not an objective of our audit and, accordingly, we do not express such an opinion.

The results of those procedures and our audit of the financial statements disclosed no material instances of noncompliance with state laws and regulations.

This report is intended solely for the information of the City of Ridgeland, Mississippi's management, Honorable Mayor and Board of Aldermen, and the Mississippi Office of the State Auditor and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.
