As a result, the following document was not prepared by the Office of the State Auditor. Instead, it was prepared by a private CPA firm and submitted to the Office of the State Auditor. REPORT ON COMPLIANCE WITH STATE LAWS AND REGULATIONS

The Honorable Mayor and Board of Aldermen Town of Taylor, Mississippi

We have compiled the accompanying Statement of Cash Receipts and Disbursements – Governmental Activities, Schedule of Investments, Schedule of Long-Term Debt, Schedule of Capital Assets, and Schedule of Surety Bonds for Municipal Officers of the Town of Taylor, Mississippi, for the year ended September 30, 2023, in accordance with Statements of Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The financial statement has been prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles in the United States of America.

We have performed procedures to test compliance with certain state laws and regulations as described in the Municipal Compliance Questionnaire that is prescribed by the Office of the State Auditor. Our procedures were substantially less in scope than an audit, the objective of which is the expression of an opinion on the town's compliance with these requirements. Accordingly, we do not express such an opinion.

With respect to the items tested, the results of those procedures and our compilation of the accompanying Statement of Cash Receipts and Disbursements – Governmental Activities, Schedule of Investments, Schedule of Long-Term Debt, Schedule of Capital Assets, and Schedule of Surety Bonds for Municipal Officials of the Town of Taylor, Mississippi, for the year ended September 30, 2023, did not disclose any instances of noncompliance with state laws and regulations.

This report is intended solely for the information and use of management and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.

We have applied certain agreed-upon procedures, as discussed below, to the accounting records of the Town of Taylor, Mississippi, as of September 30, 2023, and for the year then ended, as required by the Office of the State Auditor, under the provisions of Section 21-35-31, Miss. Code Ann. (1972). It is understood the report is solely for the use of the governing body of the Town of Taylor, Mississippi and the Office of the State Auditor and should not be used for any other purposes. Our procedures and findings are as follows:

1) We reconciled cash on deposit with the following banks to balances in the respective general ledger accounts and obtained independent confirmation of the related balances from First National Bank of Oxford:

Fund	_	Balance

ARPA fund		6,679
Total governmental funds	\$	330,749

- 2) The Town of Taylor did not have any investments or investment activities for the year ending September 30, 2023.
- 3) We performed the following procedures with respect to taxes on real and personal property (including motor vehicles) levied during the fiscal year:
 - a. Trace levies to governing body minutes;

 - c. Analyzed increase in taxes for most recent period for completion with increase limitations of Sections 27-39-320 to 27-39-323, Miss. Code Ann. (1972).

The tax levies were spread in the minutes of the governing body.

Uncollected taxes appear to be properly handled.

The distribution of taxes to funds was found to be in accordance with prescribed tax levies.

Ad valorem tax collections were found to be within the limitations of §27-39-320 to §27-39-323, Miss. Code Ann. (1972).

4) We obtained a statement of payments made by the Department of Finance and Administration to the municipality. Payments indicated were traced to deposit in the respective bank accounts and recorded in the general ledger without exception. Payments traced were as follows:

Payment Purpose	Receiving Fund		Ledger Amount
Gasoline tax	General	\$	1,087
General municipal aid	General		177
Liquor tax	General		3,300

The sample consisted of the following:

- a. Number of Sample Items 35
- b. Total Dollar Value of Sample \$87,441

We found the municipality's purchasing procedures to be in agreement with the requirements of the above-mentioned sections.

- 6) State Court Fine Assessment the town does not have any revenue provided by fines or forfeitures. [Section 21-15-21, Miss. Code Ann. (1972)]. The Town also does not have state-imposed assessments, and are therefore not required to file a monthly report with the Department of Finance and Administration [Section 99-19-73 & 83-39-31 Miss. Code Ann. (1972)].
- 7) We have read the Municipal Compliance Questionnaire completed by the municipality. The completed survey indicated no instances of noncompliance with state requirements.

Because the above procedures do not constitute an audit in accordance with generally accepted auditing standards, we do not express an opinion on any of the specific accounts or classes of transactions above. In connection with the procedures referred to above, no matters came to our attention that caused us to believe the items specified in paragraphs 1, 2, and 3 should be adjusted. Had we performed additional procedures or had we conducted an audit of the financial statements in accordance with generally accepted auditing standards, matters might have come to our attention that would have been reported to you. This report should not be associated with the financial statements of the Town of Taylor, Mississippi for the year ended September 30, 2023.
