

OFFICE OF THE STATE AUDITOR REPORT NOTE:

Section 7-7-211, Mississippi Code Annotated (1972) gives the Office of the State Auditor the authority to audit, with the exception of municipalities, any governmental entity in the state. In the case of municipalities, *Section 21-35-31, Mississippi Code Annotated (1972)* requires municipalities to obtain an annual audit performed by a private CPA firm and submit that audit report to the Office of the State Auditor. The Office of the State Auditor files these audit reports for review in case questions arise related to the municipality.

As a result, the following document was not prepared by the Office of the State Auditor. Instead, it was prepared by a private CPA firm and submitted to the Office of the State Auditor. The document was placed on this web page as it was submitted and no review of the report was performed by the Office of the State Auditor prior to finalization of the report. The Office of the State Auditor assumes no responsibility for its content or for any errors located in the document. Town of Enterprise, Mississippi

Management is responsible for the accompanying combined statement of cash receipts and disbursements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Enterprise, Mississippi as of and for the year ended September 30, 2024, in accordance with the cash basis of accounting and for determining that the cash basis of accounting is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the combined statement of cash receipts and disbursements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any assurance on the financial statement.

The combined statement of cash receipts and disbursements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information is prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Management has elected to omit substantially all the disclosures ordinarily included in financial statements prepared in accordance with the cash basis of accounting. If the omitted disclosures were included in the combined statement of receipts and disbursements, they might influence the user's conclusions about the Town's receipts and disbursements. Accordingly, the combined statement of receipts and disbursements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information is not designed for those who are not informed about such matters.

The supplementary information contained on pages 7 through 10 is presented for purposes of additional analysis and is not a required part of the combined statement of receipts and disbursements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information. Such information is the responsibility of management. The supplementary information was subject to our compilation engagement. We have not audited or reviewed the supplementary information and do not express an opinion, a conclusion, nor provide any assurance on such information.

Honorable Mayor and Members of the Board of Aldermen
Town of Enterprise, Mississippi

We have compiled the combined statement of cash receipts and disbursements of the Town of Enterprise, Mississippi, as of and for the year ended September 30, 2024, and performed certain other agreed-upon procedures as required by the Office of the State Auditor of Mississippi and have issued our report dated May 22, 2025.

The results of those agreed-upon procedures and our compilation of the statement of cash receipts and disbursements disclosed no material instances of noncompliance with state laws and regulations.

This report is intended for the information of the Town's management and the Office of the State Auditor of Mississippi and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record, and its distribution is not limited.
