CONTRACT FOR PROFESSIONAL SERVICES

This Contract, entered into as of this 3 day of May, 2023, by and between the Mississippi Department of Rehabilitation Services, hereinafter referred to as the "Agency," the Office of the State Auditor, hereinafter referred to as the "OSA", and Clifton Larson Allen, LLP, hereinafter referred to as the "Firm".

1. The Agency and OSA desire to engage the Firm to render certain professional services described within this contract and in the attached Audit Services Schedule with respect to the Agency's grant schedules and compliance with federal program requirements for the fiscal year ending June 30, 2022, with two (2) one-year options to renew.
2. The Firm shall receive as compensation as an independent contractor for the described auditing services a fee not to exceed \$35,000 plus any amount authorized by a duly executed amendment as provided in paragraph 13 of this contract:

Said fees are based on the expectation that the Agency's accounting records are complete and up-to-date and that the Agency will provide, on a timely basis, audit schedules and supporting information, including communication of all significant accounting and financial reporting matters, as well as clerical assistance as is normal and reasonable in the circumstances. If such records, schedules, etc., are not provided or other unforeseen conditions or events arise, the Firm will confer with the Agency and OSA to mutually revise the fee to reflect the additional effort required of the Firm to achieve its objectives.

3. The State of Mississippi requires the Firm to submit invoices electronically throughout the term of the agreement. Vendor invoices shall be submitted to the Agency using the processes and procedures identified by the State. Payments by the Agency using Mississippi Accountability System for Government Information and Collaboration (MAGIC) shall be made and remittance information provided electronically as directed by the State, if applicable. These payments shall be deposited into the bank account of the Firm's choice. The Firm understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.

The Firm's invoices will outline the work performed and the number of hours worked. The Agency will pay ninety percent (90%) of each invoice and will retain the remaining ten percent (10%) until final payment is made. The Agency will pay such invoices in accordance with the law related to timely payment for purchases by public bodies (Miss. Code Ann. Section 31-7-301 et seq., Rev.1990). The final payment, including retained amounts, shall be made after completion and acceptance of the audit services. In no instance will a payment be made in excess of the contract amount.

4. Audit:
 - a. The auditing services will be made in conformity with the following guidelines and regulations:

- i. The Firm has the responsibility to conduct and will conduct the audit of compliance with federal program requirements in accordance with auditing standards generally accepted in the United States of America and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, with the objective of obtaining reasonable assurance about whether the schedule of expenditures of federal awards is fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America (GAAP) and whether the State of Mississippi complied in all material respects with grant requirements applicable to major programs.
 - ii. Special items or reports prescribed by the OSA as set forth in the attached Audit Services Schedule.
 - iii. Compliance with applicable state laws as set forth in the attached Audit Services Schedule.
- b. An audit involves performing procedures to obtain audit evidence about the Agency's compliance with certain regulations. In conducting the audit, the Firm will perform tests of the accounting records and such other procedures, as the Firm considers necessary in the circumstances, based on the Firm's judgment, including the assessment of risk of material noncompliance, whether due to error or fraud, to provide a reasonable basis for the Firm's opinion on compliance. The Firm will also evaluate the appropriateness and effectiveness of internal controls implemented by management.
- c. The Firm's audit of compliance will be planned and performed to obtain reasonable, but not absolute, assurance about whether noncompliance with the applicable compliance requirements that should have had a material effect on the program being audited. Absolute assurance is not attainable because of the nature of audit evidence and the characteristics of fraud. Because of the inherent limitations of an audit, together with the inherent limitations of internal control, there is an unavoidable risk that some material noncompliance, fraud (including fraud that may be an illegal act), and other illegal acts may exist and not be detected by an audit of compliance even though the audit is properly planned and performed in accordance with the auditing standards generally accepted in the United States of America and *Government Auditing Standards*. Also, an audit is not designed to detect matters that are immaterial to compliance, and because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to detect abuse.
- d. Subject to the last sentence of the paragraph, the Firm will issue a written report upon completion of the Firm's audit of the Agency's compliance.

- e. In making the Firm's risk assessments as a part of planning and performing the audit of compliance, it will consider the Agency's internal control relevant to the appropriate compliance requirements in order to determine the nature, timing, and extent of its audit procedures for the purpose of expressing an opinion on compliance but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control.
- f. Management of the Agency acknowledges and understands that they have responsibility for the Agency's compliance to applicable state and federal regulations. Management of the Agency also is responsible for identifying and ensuring that the Agency complies with laws, regulations, contracts, and grant agreements applicable to its activities, and for informing the Firm of any known material violations of such laws and regulations and provisions of contracts and grant agreements. Management of the Agency also is responsible for preventing and detecting fraud, including the design and implementation of programs and controls to prevent and detect fraud, for adopting sound accounting policies, and for the design, implementation and maintenance of internal control relevant to the Agency's compliance and to provide reasonable assurance against the possibility of noncompliance that is material whether due to error or fraud. Management of the Agency is also responsible for informing the Firm, of which it has knowledge, of all material weaknesses and significant deficiencies, in the design or operation of such controls. The audit of compliance does not relieve management of the Agency or the audit committee of their responsibilities.
- g. Management of the Agency also acknowledges and understands that it is their responsibility to provide the Firm with: i) access to all information of which management is aware that is relevant to compliance requirements such as records, documentation and other matters; ii) additional information that the Firm may request from management for purposes of the audit; and iii) unrestricted access to persons within the entity from whom the Firm determines it necessary to obtain audit evidence. As required by auditing standards generally accepted in the United States of America, the Firm will make specific inquiries of management of the Agency about the representations embodied in the audit and the effectiveness of internal control, and obtain a representation letter from certain members of the Agency's management about these matters. The responses to the Firm's inquiries, the written representations, and the results of audit tests, among other things, comprise the evidential matter the Firm will rely upon in forming an opinion on compliance.
- h. As part of obtaining reasonable assurance about whether the Agency's procedures are free of material noncompliance, the Firm will perform tests of the Agency's compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the Agency's compliance with applicable laws and regulations. However, the Firm's objective is not to provide an opinion on overall compliance with such provisions. The Firm shall report promptly to the Agency and OSA any preliminary findings of possible fraud, misapplication or misappropriation of funds.

- i. In accordance with *Government Auditing Standards*, as part of planning of the audit the Firm will evaluate whether the Agency has taken appropriate corrective action to address findings and recommendations from previous engagements that could have a material effect on the financial statements. To assist the Firm, management of the Agency agrees to identify previous audits, attestation engagements, or other studies that relate to the objectives of the audit, including whether related recommendations have been implemented.
- j. In accordance with *Government Auditing Standards*, the Firm will also issue a management letter to communicate instances of noncompliance with provisions of contracts or grant agreements or abuse that have an effect on the Agency's compliance that is less than material but warrant the attention of those charged with governance. In accordance with *Government Auditing Standards*, the Firm is also required in certain circumstances to report fraud, noncompliance with provisions of laws, regulations, contracts, or grant agreements, or abuse directly to parties outside the Agency.
- k. In accordance with *Government Auditing Standards*, the Firm will also provide OSA with a Subsequent Event memorandum to communicate instances of any and all events subsequent to the reporting period that may have an effect on the Single Audit. The reporting period is defined as the commencement of the contract to the final issuance of the Single Audit Report.
- l. The Firm will report to management of the Agency, in writing, the following matters:
 - i. Significant difficulties and disagreements with management, if any, encountered during the Firm's audit.
 - ii. Other matters required to be communicated by auditing standards generally accepted in the United States of America.

To the extent that they come to the Firm's attention, it will inform the appropriate level of management of the Agency and OSA about any illegal acts, unless they are clearly inconsequential, material noncompliance and any instances of fraud. Further, to the extent they come to the Firm's attention, it also will communicate illegal acts that come to the Firm's attention, unless they are clearly inconsequential, material noncompliance and any instances of fraud that involve senior management or that, in the Firm's judgment, cause a material noncompliance with laws and regulations.

If, during the performance of the Firm's audit procedures, circumstances arise which make it necessary to modify their report or withdraw from the engagement, the Firm will communicate its reasons for modification or withdrawal.

5. The Firm:

- a. Shall provide the completed audit reports and management letter for each major program selected for audit by June 30, 2023. If the completed audit report differs significantly from the draft provided, OSA shall request a reconciliation between the reports from the Firm.
 - b. The Firm acknowledges that the Agency and OSA are relying on the timely completion of this contract in its scheduling and budgeting and that time is of the essence. If the Firm fails to meet the completion date prescribed herein, the Agency and/or OSA may, at their option, reduce the agreed compensation by an amount not to exceed ten percent (10%) of the total contract amount as liquidated damages for the failure to complete the contract by the completion date provided the failure to meet the report delivery deadline is not the result of Agency delays.
6. The contract shall expire one hundred twenty (120) days after the report release date of the Single Audit so that any questions raised during the audit may be resolved.
7. The Agency's funds and programs (if applicable) selected for audit are hereby incorporated herein as part of this contract, see attachment.
8. The Firm shall submit a monthly progress report which details the work completed the preceding month to the Agency and OSA authorized representatives if requested. The report shall be delivered within ten (10) days after the end of the preceding month. The Firm also agrees to provide OSA and the Agency with Status Updates sporadically as requested by either party.
9. The Agency with the written consent of the OSA's authorized representative is empowered to accept or reject the services furnished by the Firm in compliance with the material provisions of this contract and the attached Audit Services schedule. However, any rejection of services must be based solely on the Firm's failure to comply with the material terms of this contract, and cannot be based on the nature of the Firm's opinion on the financial status of the Agency in its audit report. However, prior to termination of this contract by the Agency, the Agency must provide written justification to the OSA documenting the reasons for requesting the contract be terminated. The Agency must obtain written approval from the OSA prior to terminating the contract.
10. The Firm shall have a certified public accountant (CPA) as the certifying official of the final reports.
11. The work papers prepared in conjunction with the services under this contract are the property of the Firm, constitute confidential information and will be retained by the Firm in accordance with its policies and procedures. These records shall be maintained for at least five (5) years; however, if any litigation or other legal action, by or on behalf of the State has begun that is not completed at the end of the five (5) year period, or if audit findings, litigation or other legal action has not been resolved at the end of the

five (5) year period, the records shall be retained until resolution. The firm agrees to make its work papers available to subsequent fiscal year audit firms. Upon request by the Agency or OSA, any data, files and records collected by the Firm will be destroyed or returned to the Agency or OSA. The Firm may retain, however, copies of all such records required for recordkeeping purposes or for compliance with applicable professional standards. Pursuant to *Government Auditing Standards*, the Firm is required to make certain work papers available in a full and timely manner to Regulators upon request for their reviews of audit quality and for use by their auditors. In addition, the Firm may be requested to make work papers available to OSA pursuant to authority provided to it by law or regulation. Access to the requested work papers will be provided under supervision of the Firm's personnel. Furthermore, upon request, the Firm may provide photocopies of selected work papers to Regulators. Such Regulators may intend, or decide, to distribute the photocopies or information contained therein to others, including other government agencies. A desk review, at least once every three years, is a required review that must be performed to remain in good standing on the registered firms listing. This review is completed in accordance with *Section 7-7-211(k)* of the Miss. Code Ann. (1972), which states, in summary, the State Auditor shall have the authority to contract with qualified public accounting firms to perform selected audits and all files, working papers, notes, correspondence and all other data compiled during the course of the audit shall be available, without cost, to the State Auditor for examination and abstracting during the normal business hours of any business day. Failure to provide timely access to records requested will result in suspension from the registered firm listing and will void this contract.

12. Termination:

- a. **Termination for Cause.** Upon the failure of either party to perform any obligation or observe any covenant required hereunder, the non-defaulting party, with the written consent of the OSA, shall have the right to send a written notice to the defaulting party specifying such failure and demanding cure within ten (10) days of receipt of such notice. If the defaulting party has not remedied such failure within the cure period, or has not made substantial progress toward remedying such failure within the cure period, then the non-defaulting party may terminate the contract immediately by sending a written notice of termination to the defaulting party. However, prior to termination of this contract by the Agency, the Agency must provide written justification to the OSA documenting the reasons for requesting the contract be terminated. The Agency must obtain written approval from the OSA prior to terminating the contract. In the event of termination for cause by the Agency and/or OSA, in addition to other remedies provided herein or available at law or in equity, the Firm shall bear all costs associated with the issuance of a new contract for audit services, including, but not limited to, the cost of reissuing another request for proposals and any additional costs resulting from an acceleration of services necessary for the timely completion of such auditing services.
- b. **Termination by Agency.** The Agency, with the written consent of the OSA, may

- terminate this contract, with or without cause, by providing a fifteen (15) day written notice of termination to the Firm. However, prior to termination of this contract by the Agency, the Agency must provide written justification to the OSA documenting the reasons for requesting the contract be terminated. The Agency must obtain written approval from the OSA prior to terminating the contract.
- c. In the event of termination, the Firm will be entitled to payment for services in an amount which bears the same ratio to the total compensation as the services actually performed bear to the total services of the Firm covered by the contract, less payments previously made. In no instance, other than as specified in paragraph 2 will a payment be made in excess of the contract amount for each audited year. All finished or unfinished tests, surveys, checklists, forms, manuals, reports or other material prepared by the Firm under this contract shall become the property of the OSA.
13. The Agency, the OSA or the Firm may, from time to time, request changes in the scope of services of the Firm to be performed thereunder. Such changes, including any increase or decrease in the amount of the Firm's compensation, which are mutually agreed upon by and between the Agency, the OSA, and the Firm, shall be included in written amendments to this contract signed by all parties prior to the work being performed.
14. The Firm shall not assign or otherwise transfer the obligations incurred on its part pursuant to the terms of this contract without the prior written consent of the Agency and OSA. Any attempted assignment or transfer of its obligation without such consent shall be wholly void. All obligations and duties of either party under this contract shall be binding on all successors in interest or assigns of such party.
15. The Firm shall comply, in all material respects, with all applicable laws, regulations, policies and procedures of the United States of America or any agency thereof, the State of Mississippi or any agency thereof and any local governments or political subdivisions that may affect the performance of services under this contract and all applicable laws and regulations relating to discrimination based on age, race, creed, color, sex, and national origin or disability. The Agency will assist the Firm in identifying the policies and procedures promulgated by the State of Mississippi or any agency or political subdivision thereof that impact the services.
16. The Firm agrees to indemnify, defend, and hold harmless, the Agency and OSA from and against all claims, demands, liabilities, damages and costs relating to our services under this agreement that are attributable to or resulted from intentional, deliberate misconduct or actionable gross negligence of the Firm and/or its partners, principals, agents, employees or subcontractors in the performance of this contract.
17. This contract shall be construed and governed in accordance with the laws of the State of Mississippi.

18. If any term or provision of this contract is prohibited by the laws of the State of Mississippi or declared invalid or void by a court of competent jurisdiction, the remainder of this contract shall not be affected thereby and each term and provision of the contract shall be valid and enforceable to the fullest extent permitted by law.
19. The Firm represents that it has not retained a person to solicit or secure a State contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee.
20. The firm represents that it has not violated, is not violating, and promises that it will not violate the prohibition against gratuities set forth in Section 7-204 (Gratuities) of the “Mississippi Personal Service Contract Procurement Regulations.”
21. The Firm certifies that the price submitted in response to the solicitation has been arrived at independently and without – for the purpose of restricting competition – any consultation, communication, or agreement with any other bidder or competitor relating to the price, the intention to submit a bid, or the methods or factors used to calculate the price bid.
22. The Firm certifies to the best of its knowledge and belief, that it and its principals:
 - a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by a Federal department or Agency;
 - b. Have not within a three-year period preceding this contract been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
 - c. Are not presently indicted or otherwise criminally or civilly charged by a government entity (Federal, State or local) with commission of any of the offenses enumerated in item b. of this certification; and
 - d. Have not within a three-year period preceding this contract had one or more public transactions (Federal, State or local) terminated for cause or default.
23. The Firm shall, during the entire term of this contract, be construed to be an independent contractor. Nothing in this contract is intended to nor shall be construed to create an employer-employee relationship, or a joint venture relationship.

The Firm represents that it is qualified to perform the duties to be performed under this contract and that it has, or will secure, if needed, at its own expense, applicable

Such personnel shall not be deemed in any way, directly or indirectly, expressly or by implication, to be employees of the Agency or the OSA. Any person assigned by the Firm to perform the services hereunder shall be the employee of the Firm, who shall have the sole right to hire and discharge its employee.

The Firm shall pay when due, all salaries and wages of its employees and accepts exclusive responsibility for the payment of federal income tax, state income tax, social security, unemployment compensation and any other withholdings that may be required.

Neither the Firm nor employees of the Firm are entitled to state retirement or leave benefits.

It is further understood that the consideration expressed herein constitutes full and complete compensation for all services and performance hereunder, and that any sum due and payable to the Firm shall be paid as a gross sum with no withholdings or deductions being made by the Agency for any purpose from said contract sum except as permitted in Paragraph 5(b).

24. Failure of any party hereto to insist upon strict compliance with any of the terms, covenants and conditions hereof shall not be deemed a waiver or relinquishment of any similar right or power hereunder at any subsequent time or of any other provision hereof, nor shall it be construed to be a modification of the terms of the contract.
25. The parties expressly understand that the fulfillment of the payment obligations of the Agency under this agreement is conditioned upon the availability and receipt of State funds. In the event that funds are insufficient or otherwise unavailable to satisfy payments due under this agreement, the Agency shall not be obligated to make such payments, and all further obligations of the Agency and the Firm under this agreement shall cease immediately, without penalty, cost or expense to the Agency or the Firm of any kind whatsoever. In the event of such insufficiency or unavailability of funding, the Agency shall promptly notify the Firm and the OSA, in writing, of such event. The Firm shall be entitled to payment for services in the amount determined under paragraph 12(c) or the amount of available funds, whichever is less.
26. The Firm represents that it will maintain workers' compensation insurance which shall inure to the benefit of all the Firm's personnel provided hereunder, comprehensive general liability or professional liability insurance, and, where applicable, employee fidelity bond insurance.
27. Any dispute concerning a question of fact arising under this contract shall be disposed of by good faith negotiation between duly authorized representatives of the Agency, OSA and the Firm. Such a resolution shall be reduced to writing and a copy thereof mailed or furnished to the Firm and shall be final and conclusive. If a resolution cannot be reached, the Firm shall mail or furnish to the Agency and OSA a written request for

review. The Firm shall be afforded an opportunity to be heard and to offer evidence in support of his/her/its position on the issue in dispute and under review. The review will be handled under a three (3) person panel for dispute resolution composed of the Deputy State Auditor, the Director of Technical Assistance and the Director of the Financial and Compliance Audit Division. The decision of the dispute resolution panel of OSA on the review shall be final and conclusive unless determined by a court of competent jurisdiction in Hinds County, State of Mississippi, to have been fraudulent, capricious, or so grossly erroneous as necessarily to imply bad faith, or not be supported by substantial evidence. Pending final decision of a dispute hereunder, the Firm shall proceed diligently with the performance of the duties and obligations of the contract.

28. This contract, including the documents and schedules previously discussed in paragraph 4.a. and paragraph 7, constitutes the entire agreement of the parties with respect to the subject matter contained herein and supersedes and replaces any and all prior negotiations, understandings and agreements, written or oral, between the parties relating thereto. A separate engagement letter is being issued covering items required to communicate professional standards that are not covered by the Contract for Professional Services.
29. Firm represents and warrants that it will ensure its compliance with the Mississippi Employment Protection Act (Senate Bill 2988 from the 2008 Regular Legislative Session) and will register and participate in the status verification system for all newly hired employees. The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the Illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification Agency replacing the E-Verify Program. Firm agrees to maintain records of such compliance and, upon request of the State, to provide a copy of each such verification to the State. Firm further represents and warrants that any person assigned to perform services hereunder meets the employment eligibility requirements of all immigration laws of the State of Mississippi. Firm understands and agrees that any breach of these warranties may subject the firm to the following: (a) termination of this agreement and ineligibility for any state or public contract in Mississippi for up to three (3) years, with notice of such cancellation/termination being made public, or (b) the loss of any license, permit, certification or other document granted to the firm by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year or (c) both. In the event of such termination/cancellation, the firm would also be liable for any additional costs incurred by the State due to contract cancellation or loss of license or permit.

In accordance with the Mississippi Accountability and Transparency Act of 2008, Section 27-104-151, et seq., of the Mississippi Code of 1972, as amended, the American Accountability and Transparency Act of 2009 (P.L. 111-5), where applicable, and Section 31-7-13 of the Mississippi Code of 1972, as amended, where applicable, a fully executed copy of this agreement shall be posted to the State of

Mississippi's accountability website at: <https://merlin.state.ms.us>

The State may, at its sole discretion, require Firm to electronically submit invoices and supporting documentation at any time during the term of this Agreement. Firm understands and agrees that the State is exempt from the payment of taxes. All payments shall be in United States currency.
33. The firm agrees to provide any existing service contract with the school/city/agency as an Appendix to this contract. Additionally, the Firm agrees that if the school/county/agency is desirous to enter into any other service agreement with the Firm, that the Firm will provide that agreement to the Office of the State Auditor for review before execution so that OSA can review for possible impairments of independence. Any violation of this clause is considered breach of contract and can result in contract termination.
